13                           **INMATE CASTANEDA:** Yes.

14                           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
15 we are tape recording the hearing today. So, we  
16 are going to go around the room and introduce  
17 ourselves. We'll say our names, our first and  
18 last names. Spell our names and the reason why  
19 we are here. After you say your name, also state  
20 your CDC number. My name is Tracy St. Julien,  
21 T-R-A-C-Y-S-T, Capital J-U-L-I-E-N.

22                           **DEPUTY COMMISSIONER MEJIA:** Rolando  
23 Mejia, M-E-J-I-A, Deputy Commissioner.

24                           **DEPUTY DISTRICT ATTORNEY JACOBS:** James  
25 Jacobs, J-A-C-O-B-S. Deputy District Attorney,  
26 Los Angeles County.

27                           **ATTORNEY SPOWART:** David Spowart, S-P-O-

1 W-A-R-T. Attorney for Mr. Castaneda.

2           **INMATE CASTANEDA:** Martin Castaneda, C-A-  
3 S-T-E-N-E-D-A. CDC number E-8-9-3-5-5.

4           **PRESIDING COMMISSIONER ST. JULIEN:** We  
5 also have two correctional officers in the room  
6 for security purposes. I'm sorry, can you spell  
7 your last name again?

8           **INMATE CASTANEDA:** C-A-S-T-E-N-E-D-A.

9 Everywhere I'm looking it says A-N.

10          **INMATE CASTANEDA:** That's what they did  
11 when I got to (indiscernible).

12          **PRESIDING COMMISSIONER ST. JULIEN:** But  
13 it should be E.

14          **INMATE CASTANEDA:** E-N. Well, I'll  
15 correct it on here. I don't know if it's going  
16 to make a difference anywhere. Mr. Spowart,  
17 could you - you've gone over any ADA issues.

18          **ATTORNEY SPOWART:** And he read verbatim  
19 so I have no objections.

20          **PRESIDING COMMISSIONER ST. JULIEN:** Just  
21 do a little switch there. Okay? So you're  
22 familiar with your ADA rights?

23          **INMATE CASTANEDA:** Yes.

24          **PRESIDING COMMISSIONER ST. JULIEN:**  
25 Accommodation for disabilities. Do you have any  
26 disabilities that would require any  
27 accommodation?

1           **INMATE CASTANEDA:** No, I don't.

2           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

3 This is your third? So, you're pretty familiar  
4 with the procedure?

5           **INMATE CASTANEDA:** Yes, I am.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Do  
7 you have any questions about the procedure  
8 today?

9           **INMATE CASTANEDA:** No, I don't.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
11 I am looking at the procedure form and the ADA  
12 form that you and your attorney went over and  
13 signed. And that looks in order. I also looked  
14 at the BPT Form 1073 that discusses your  
15 accommodations for disabilities and I know that  
16 you signed that on April 13, 2005. It was  
17 checked that you did not need any  
18 accommodations. Okay. So is there any reason  
19 why you cannot fully participate today?

20          **INMATE CASTANEDA:** No, there isn't.

21          **PRESIDING COMMISSIONER ST. JULIEN:** Mr.  
22 Spowart, are you satisfied your client's ADA  
23 rights have been met?

24          **ATTORNEY SPOWART:** Yes, I am.

25          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
26 and how did that hearing checklist -

27          **ATTORNEY SPOWART:** I have everything.

1                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

2   Mr. Jacobs, have you had a chance to look at  
3   that hearing checklist yet?

4                   **DEPUTY DISTRICT ATTORNEY JACOBS:** Yes, I  
5   looked at it when I received it. Plus I got some  
6   updates -

7                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
8   yes. The updates.

9                   **ATTORNEY SPOWART:** Commissioner,  
10   (indiscernible) I believe you said this would be  
11   his third appearance. This is his third  
12   subsequent - this is his fourth hearing.

13                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
14   thank you. Now do you have any additional  
15   documents, Mr. Spowart?

16                  **ATTORNEY SPOWART:** No, not at this time.

17                  **INMATE CASTANEDA:** I have a support  
18   letter from my father and a close family friend  
19   who's got his own business that offered me -

20                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
21   now those weren't included in -

22                  **DEPUTY COMMISSIONER MEJIA:** Is that June  
23   5, 2005?

24                  **INMATE CASTANEDA:** Pardon?

25                  **DEPUTY COMMISSIONER MEJIA:** Is that dated  
26   June 5, 2005?

27                  **INMATE CASTANEDA:** Yes, it is.

1           **DEPUTY COMMISSIONER MEJIA:** Yes, I got it  
2 in the file.

3           **PRESIDING COMMISSIONER ST. JULIEN:** Yes,  
4 I have quite a few letters. Is that Manuel  
5 Castaneda?

6           **INMATE CASTANEDA:** Yes, that's my father  
7 - yes.

8           **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
9 that's the only letter I have.

10          **INMATE CASTANEDA:** I just received this  
11 one a couple of days ago through the  
12 institutional mail.

13          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
14 (indiscernible)

15          **ATTORNEY SPOWART:** He's got some pictures  
16 here of his family.

17          **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
18 That's great. Yes, because we'll be  
19 (indiscernible). Thank you.

20          **DEPUTY DISTRICT ATTORNEY JACOBS:** That  
21 second letter, that was a job offer?

22          **PRESIDING COMMISSIONER ST. JULIEN:** Yes,  
23 and I'll read it at the appropriate time and if  
24 you want to see it, I can pass it over. Since it  
25 wasn't in our packet. Do you have any  
26 preliminary objections?

27          **ATTORNEY SPOWART:** I have none.

1           **PRESIDING COMMISSIONER ST. JULIEN:** Will  
2       Mr. Castaneda be speaking with us today?

3           **INMATE CASTANEDA:** Yes, I'll be speaking  
4       with you today.

5           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
6       You also have the right to be heard by a fair  
7       and partial panel. Now that you've seen the  
8       panel members here today, do you have any  
9       objections?

10          **INMATE CASTANEDA:** No, I don't.

11          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
12       Mr. Spowart?

13          **ATTORNEY SPOWART:** No.

14          **PRESIDING COMMISSIONER ST. JULIEN:** Is  
15       there any confidential information?

16          **ATTORNEY SPOWART:** No confidential  
17       information.

18          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
19       I need to give you an officer. Do you solemnly  
20       swear that the testimony you give today will be  
21       the truth, the whole truth, and nothing but the  
22       truth?

23          **INMATE CASTANEDA:** Yes, I do.

24          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
25       thank you. I feel like I'm forgetting something.  
26       Okay, I'll start by reading the - there's just a  
27       very brief summary in the order report that I'm

1 looking at, February 2003 and your  
2 (indiscernible) dates on October 8, 1990. Mr.  
3 Castaneda apparently had a physical altercation  
4 with the victim's brother, Jorge - was it  
5 Carreon?

6           **INMATE CASTANEDA:** It's Carreon.

7           **PRESIDING COMMISSIONER ST. JULIEN:**

8 Carreon. C-A-R-R-E-O-N. Over his ex-girlfriend.  
9 The victim, Fidel Carreon intervened and broke  
10 up the altercation. Mr. Castaneda was leaving  
11 the location, he yelled out in Spanish, "El  
12 vario esuzo" (phonetic) which means "I'll be  
13 back".

14           **INMATE CASTANEDA:** I don't speak good  
15 Spanish.

16           **PRESIDING COMMISSIONER ST. JULIEN:** Did  
17 you say that? In Spanish?

18           **INMATE CASTANEDA:** I can't recall if I  
19 did.

20           **PRESIDING COMMISSIONER ST. JULIEN:** On  
21 October 9, 1990, at about 8:41 p.m., Castaneda  
22 and unknown companions drove his vehicle to the  
23 victim's residence, located at 500 Virginia  
24 Avenue in the City of Isuza (phonetic).  
25 Thereafter, witnesses observed Castaneda and his  
26 companions to leave the vehicle and walk up to  
27 the victim's house. Finding the victim outside,

1 Castenenda displayed a handgun and shot the  
2 victim five times in the chest, groin and right  
3 arm areas. Castaneda and his companions then  
4 fled the location. Now, is that an accurate  
5 description of what happened? I know you have an  
6 inmate's version in this court report as well.  
7 Was that accurate, what I just read?

8           **INMATE CASTANEDA:** All except that his  
9 brother tried to break up the fight. His brother  
10 also was helping - well, the two brothers - they  
11 were both beating me up instead of one of them  
12 trying to break it up.

13           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
14 so why don't you give us a brief overview of  
15 what happened that night? I read your version  
16 and it seems like it's very confusing. You're  
17 running out of gas a couple of times - why don't  
18 you tell us what happened.

19           **INMATE CASTANEDA:** Well, the night that  
20 the female-Gloria came over to my house -

21           **PRESIDING COMMISSIONER ST. JULIEN:** Were  
22 you dating?

23           **INMATE CASTANEDA:** No, we were just both  
24 going through a separation. She was going  
25 through a divorce; I was separated from my wife.

26           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

27           **INMATE CASTANEDA:** Who is now my ex-wife.

1 She came over with another friend who drove her  
2 there. I had - it was a weekend, I had friends  
3 over. We were - we were partying and she came  
4 unannounced. She started a confrontation with  
5 the female friend that was at my house.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Why  
7 do you think that happened? Did she think it was  
8 a girlfriend of yours or what?

9           **INMATE CASTANEDA:** I, to tell you the  
10 truth, I really don't know why - she was I guess  
11 - came back from the clubs and she was already  
12 intoxicated.

13           **PRESIDING COMMISSIONER ST. JULIEN:** Was  
14 she a little - okay.

15           **INMATE CASTANEDA:** She started a  
16 confrontation with the female friend that was  
17 there at my house. Her - her ride left and she  
18 had nowhere to - this was like 1:00 in the  
19 morning. She asked if I could give her a ride,  
20 because I told her to stop fighting with the  
21 female, you know, to go. She indicated to me  
22 that her driver had left. Her ride had left. Her  
23 way of getting home, so if I could give her a  
24 ride then I was glad to get her out of my house.  
25 Well, on the way home - on the way to taking her  
26 to whatever location she wanted to go, I  
27 accidentally - well, not accidentally - I ran

1 out of gas. So, not knowing where I was taking  
2 her, after I dropped her off, when I left the  
3 scene of the place I dropped her off, the  
4 residence, I ran out of gas. I went back to the  
5 location to ask for help to get some type of gas  
6 can or gasoline to put back in my car so I could  
7 get home. Well, one of the males came out and I  
8 had a confrontation with him. I said, "All I  
9 want to do is just get gas, get home, get out."

10                   **PRESIDING COMMISSIONER ST. JULIEN:** Had  
11 you ever met this person before?

12                   **INMATE CASTANEDA:** Never met him before.  
13 Well, next thing you know we started arguing. I  
14 told him, "You know what? I'm leaving". He was  
15 on the other side of the fence, he just jumped  
16 over the fence and started a confrontation with  
17 me and the next thing you know, we're fighting  
18 and his brother jumped over the fence which was  
19 no bigger than like three and a half, maybe four  
20 feet high and started fighting with me also.  
21 Once I got away, I started running towards the  
22 opposite way. Trying to get home. Trying to get  
23 back in a safe location. After awhile, about a  
24 couple two or three minutes, shots were fired.  
25 Now this is 2:00 in the morning. Early morning.  
26 And I started zig-zagging, running through the  
27 trees. Running through the dark areas. Running

1 through the alleys.

2           **PRESIDING COMMISSIONER ST. JULIEN:** So,  
3 were the shots fired at you?

4           **INMATE CASTANEDA:** They were at me.

5           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

6           **INMATE CASTANEDA:** I got away. I mean, I  
7 know there's no paperwork on record indicating  
8 that because I took a plea bargain on this and I  
9 never had the opportunity to state it in court,  
10 so I know it's my word against theirs. I  
11 understand that. Once I got home I was beaten  
12 up. Black eye, busted lip, my hands were  
13 swollen. I was fighting these two individuals.  
14 You know, I was mad. I understand.

15           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
16 so now had you been drinking as well?

17           **INMATE CASTANEDA:** Well, after I got  
18 home, yeah I started drinking.

19           **PRESIDING COMMISSIONER ST. JULIEN:** No, I  
20 mean before?

21           **INMATE CASTANEDA:** Well, yeah. We had  
22 just a little (indiscernible).

23           **PRESIDING COMMISSIONER ST. JULIEN:** So,  
24 would you consider yourself being intoxicated?

25           **INMATE CASTANEDA:** No, because I was  
26 having trying to control the people that were in  
27 my house. It was -yeah.

1           **PRESIDING COMMISSIONER ST. JULIEN:** And  
2   would you consider - Do you have any indication  
3   that the other people - The two people who beat  
4   you up or were fighting with you - did they seem  
5   impaired in anyway?

6           **INMATE CASTANEDA:** No.

7           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
8   go ahead.

9           **INMATE CASTANEDA:** And -

10          **PRESIDING COMMISSIONER ST. JULIEN:** So  
11   you get back to your house.

12          **INMATE CASTANEDA:** I got back to my house  
13   and I was still angry all night long. And, I  
14   just vowed revenge on them, due to the fact what  
15   they did. Well, later that evening, somebody  
16   drove by and started throwing bottles at my  
17   house. Well, that next morning or even that  
18   evening, it was about 4:00, the sun started  
19   coming out. I went outside; there was bottles,  
20   broken bottle glass all over my yard area. No, I  
21   didn't call the cops, which I should have. I  
22   understand I should have called the authorities  
23   and reported it. But, at the time I was just- I  
24   was angry. I was not in the right mind. I was  
25   just completely angry at him. I vowed revenge  
26   and I would take care of it in my own way and I  
27   was wrong for doing that.

1           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
2 so then how do you make your way back to this?

3           **INMATE CASTANEDA:** After I started - I  
4 got back in my car and -

5           **PRESIDING COMMISSIONER ST. JULIEN:** About  
6 what time was this?

7           **INMATE CASTANEDA:** Well, this was later  
8 on that evening. I didn't go nowhere until that  
9 evening.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
11 so all the- all the- the altercation and driving  
12 Gloria home and all this was like in the middle  
13 of the night?

14          **INMATE CASTANEDA:** Yeah.

15          **PRESIDING COMMISSIONER ST. JULIEN:** And  
16 then you get home and you start drinking and  
17 you're stewing, you're mad, whatever. So you're  
18 home all that next day?

19          **INMATE CASTANEDA:** I'm home - I was home  
20 all the next day.

21          **PRESIDING COMMISSIONER ST. JULIEN:** Okay  
22 and then what -- So then?

23          **INMATE CASTANEDA:** It wasn't until the  
24 evening time when I started planning it - doing,  
25 you know - trying to plan my revenge on the two  
26 individuals that, you know, I had fought with  
27 and had shot at me.

1           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

2           **INMATE CASTANEDA:** After leaving to go  
3 put gas in my car, I ran out of gas again.  
4 Because I only had enough gas in my gas can that  
5 was for my lawn mower that I put in there. Just  
6 to get me to a gas station. Well, it ended up  
7 not being enough. I ran out of gas and I was  
8 pushing the car again to the gas station. Well,  
9 apparently I guess they seen me. They indicated  
10 in the police report they seen me pushing the  
11 car to the gas station later on that evening. It  
12 was about 7:00 o'clock in the evening and after  
13 that I went by and I was already still mad and  
14 angry. You know, I was -

15           **PRESIDING COMMISSIONER ST. JULIEN:** So,  
16 who were you with? Were you with anybody?

17           **INMATE CASTANEDA:** I was with two  
18 occupants, yeah.

19           **PRESIDING COMMISSIONER ST. JULIEN:** And  
20 now, did these people - are they unnamed?

21           **INMATE CASTANEDA:** No, I named them last  
22 time. It's in the report.

23           **PRESIDING COMMISSIONER ST. JULIEN:** Now,  
24 okay, you were with two friends and did you all  
25 have guns or what?

26           **INMATE CASTANEDA:** No, it was some throw  
27 away that somebody had picked up.

1           **PRESIDING COMMISSIONER ST. JULIEN:** But  
2 it was a gun?

3           **INMATE CASTANEDA:** It was a gun, yeah.

4           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
5 so you planned to go back and did you plan on  
6 shooting both of these assailants or did you  
7 plan on shooting one or what was your plan?

8           **INMATE CASTANEDA:** Well, I didn't have no  
9 plans really, as far as to really do anything  
10 but once we started getting in a heated  
11 conversation, I just was asking why they did  
12 what they did. All I wanted was to get gas to  
13 get home. Why did they start shooting at me? It  
14 was his brother that I was talking to. Not the  
15 one that initially started the confrontation  
16 with me and I was just so angry, that I just  
17 said, "You know what, I got a message to give to  
18 you to give to your brother and do what you  
19 gotta do". I just fired at him, then I left the  
20 scene.

21           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
22 Now, why did initially you refuse to give the  
23 names?

24           **INMATE CASTANEDA:** Well, because I take  
25 full responsibility for what happened.

26           **PRESIDING COMMISSIONER ST. JULIEN:** So,  
27 how much of this is gang related?

1           **INMATE CASTANEDA:** None. It was just-

2           **PRESIDING COMMISSIONER ST. JULIEN:** Were  
3 you in a gang?

4           **INMATE CASTANEDA:** No, I wasn't in a  
5 gang.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Oh?

7           **INMATE CASTANEDA:** No.

8           **DEPUTY DISTRICT ATTORNEY JACOBS:**  
9 (indiscernible) an associate?

10          **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
11 I have in my notes that you were somehow  
12 involved in a gang.

13          **INMATE CASTANEDA:** No, it's just - I  
14 lived around - in the area. You know, I went to  
15 school with them, you know. Other than that,  
16 being -

17          **PRESIDING COMMISSIONER ST. JULIEN:** Isuza  
18 (phonetic)13.

19          **INMATE CASTANEDA:** Other than that, I'm  
20 not an associate. I'm not involved in no gangs.

21          **PRESIDING COMMISSIONER ST. JULIEN:** So,  
22 you were never an associate of a gang on the  
23 street or in prison?

24          **INMATE CASTANEDA:** No.

25          **PRESIDING COMMISSIONER ST. JULIEN:** Well.

26          **INMATE CASTANEDA:** I grew up-

27          **PRESIDING COMMISSIONER ST. JULIEN:** My

1 colleague might have some other information.

2 Okay.

3           **INMATE CASTANEDA:** (Indiscernible) I can  
4 explain that. When the counselor wrote that, he  
5 misinterpreted what I was telling him.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
7 but it's not what you said.

8           **INMATE CASTANEDA:** What's that?

9           **PRESIDING COMMISSIONER ST. JULIEN:** It's  
10 what other people have said about you.

11          **INMATE CASTANEDA:** Yeah, well what the  
12 counselor wrote back in what year was that?

13          **PRESIDING COMMISSIONER ST. JULIEN:** '91

14          **INMATE CASTANEDA:** 2003. Oh no, she said

15          **PRESIDING COMMISSIONER ST. JULIEN:** No,  
16 I'm saying there's a memo dated 8-12-91  
17 documenting street gang association Isuza  
18 (phonetic) 13.

19          **INMATE CASTANEDA:** '91.

20          **PRESIDING COMMISSIONER ST. JULIEN:** And  
21 then also there's some - going to the  
22 (indiscernible) going to the personal factors.  
23 He was a member of the Serrano (phonetic) Isuza  
24 (phonetic) 13 gang at the time. Did you talk  
25 about this at your last hearing?

26          **INMATE CASTANEDA:** No, I didn't.

27          **PRESIDING COMMISSIONER ST. JULIEN:**

1 Nobody's mentioned this to you?

2           **INMATE CASTANEDA:** No. I remember the  
3 report that the counselor wrote and he  
4 misinterpreted what he was getting from me. When  
5 he asked me what part of the State of California  
6 I was from, I told him I was from the southern  
7 part. He goes, "Well, what part?" Los Angeles  
8 County area, San Gabriel Valley. I was born and  
9 raised in the City of (indiscernible) and he  
10 said, "Well, okay" and then out of all his  
11 notes, he conjured all that up.

12           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
13 so now - did you, subsequently when you saw  
14 this, did you subsequently -

15           **INMATE CASTANEDA:** I filed an appeal on  
16 it.

17           **PRESIDING COMMISSIONER ST. JULIEN:** What  
18 happened?

19           **INMATE CASTANEDA:** I never received any  
20 type of response.

21           **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
22 we'll see what else we can find in her because  
23 I'm sure you understand that that's an issue of  
24 concern.

25           **INMATE CASTANEDA:** Oh, I understand,  
26 yeah.

27           **PRESIDING COMMISSIONER ST. JULIEN:** And

1 that either way, it should be addressed or  
2 resolved. Because I can guarantee you that this  
3 type of thing in your files does not do you any  
4 good. Okay?

5           **INMATE CASTANEDA:** Yeah.

6           **DEPUTY COMMISSIONER MEJIA:** When did you  
7 file an appeal on that?

8           **INMATE CASTANEDA:** That was back in '93  
9 when I read the report.

10          **PRESIDING COMMISSIONER ST. JULIEN:** You  
11 mean 2003?

12          **INMATE CASTANEDA:** Oh, 2003.

13          **DEPUTY COMMISSIONER MEJIA:** 2003.

14          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
15 well, while we're looking for that, I'll just go  
16 on. Okay, so now you file seven shots. Mr.  
17 Carreon is hit. Doesn't die. But he sure is hit.  
18 I'm surprised he didn't die. Why would you fire  
19 seven times? You obviously wanted to - you want  
20 to kill him?

21          **INMATE CASTANEDA:** No, I didn't want to  
22 kill him.

23          **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
24 why did you shoot - shoot seven times? That's a  
25 whole lot of times. So you basically emptied the  
26 gun. How many rounds did the gun have?

27          **INMATE CASTANEDA:** (Indiscernible)only

1 seven.

2           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
3 so you emptied the gun.

4           **INMATE CASTANEDA:** Yeah.

5           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
6 so what's going on? What are you thinking?

7           **INMATE CASTANEDA:** I wasn't.

8           **PRESIDING COMMISSIONER ST. JULIEN:** Are  
9 you impaired?

10          **INMATE CASTANEDA:** No.

11          **PRESIDING COMMISSIONER ST. JULIEN:** So no  
12 alcohol or drugs?

13          **INMATE CASTANEDA:** No.

14          **PRESIDING COMMISSIONER ST. JULIEN:** So,  
15 you're just mad as hell.

16          **INMATE CASTANEDA:** I was mad, yes.

17          **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

18          **INMATE CASTANEDA:** Exactly.

19          **PRESIDING COMMISSIONER ST. JULIEN:** So  
20 now had anybody ever done anything like this to  
21 you before?

22          **INMATE CASTANEDA:** No.

23          **PRESIDING COMMISSIONER ST. JULIEN:** How  
24 old were you?

25          **INMATE CASTANEDA:** I was in my late  
26 twenties.

27          **DEPUTY COMMISSIONER MEJIA:** 28.

1                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
2 so you're not (indiscernible) now, okay. But you  
3 know you're that age - you think you're - it's  
4 not - you should have known better, definitely.

5                   **INMATE CASTANEDA:** Exactly. True.

6                   **PRESIDING COMMISSIONER ST. JULIEN:** So,  
7 you don't have age as an excuse. You weren't  
8 drunk. I really find it hard to believe that  
9 throughout your 28 years, nobody had insulted  
10 you or angered you to that degree. You know,  
11 what I'm trying to get at is -

12                  **INMATE CASTANEDA:** I understand.

13                  **PRESIDING COMMISSIONER ST. JULIEN:** What  
14 made this situation so bad? What made what these  
15 people did so bad that you felt you had to  
16 retaliate in such an extreme way. And I think at  
17 this point in time, at least you would agree  
18 that it was extreme.

19                  **INMATE CASTANEDA:** Yeah.

20                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
21 So what made you want to -

22                  **INMATE CASTANEDA:** Well, when they came  
23 by and threw bottles at my house and shot at me  
24 when I was leaving. When all I wanted to do was  
25 to get gas and get out of there.

26                  **PRESIDING COMMISSIONER ST. JULIEN:** Did  
27 you know who these people were? Did you know if

1 they were gang members? I mean wouldn't you be  
2 afraid that - let's say if they were big gang  
3 members and you go shooting them, then  
4 somebody's going to retaliate on you?

5           **INMATE CASTANEDA:** That's probably true.

6 Yeah.

7           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
8 so you're going to go shoot up people you don't  
9 even know. Does that make any sense?

10          **INMATE CASTANEDA:** No it don't. I was  
11 wrong. Like I said, I accept -

12          **PRESIDING COMMISSIONER ST. JULIEN:** So  
13 whatever happens to - is it Gloria? Gloria. So  
14 did she actually live there?

15          **INMATE CASTANEDA:** I don't know, I think  
16 it was just somebody - she said it was her  
17 cousin's. I don't know if that was true or not.  
18 She asked me to drop her off and she took me to  
19 the location to drop her off. I dropped her off  
20 and I left.

21          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
22 so since I'm having such a hard time  
23 understanding motivation for this crime, perhaps  
24 you can give me an idea, you know, what your  
25 life was like. What kind of reactions - you  
26 know, were you a violent guy? Were you a bully?  
27 Were you fighting people?

1           **INMATE CASTANEDA:** No, I wasn't.

2           **PRESIDING COMMISSIONER ST. JULIEN:** Were  
3 you picking on people?

4           **INMATE CASTANEDA:** I was working. I was  
5 going through a -

6           **PRESIDING COMMISSIONER ST. JULIEN:** Were  
7 you separated?

8           **INMATE CASTANEDA:** A separation from my  
9 wife.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Any  
11 kids?

12          **INMATE CASTANEDA:** Yes, I had three kids.  
13 One on the way. We were separated. We were going  
14 through some hard times. She ended up messing  
15 around with somebody else.

16          **PRESIDING COMMISSIONER ST. JULIEN:**  
17 During the separation or before?

18          **INMATE CASTANEDA:** Before. Before the  
19 separation. That's what got us separated. I just  
20 started messing around with the wrong people.

21          **PRESIDING COMMISSIONER ST. JULIEN:** Were  
22 you - what kind of - how would you describe your  
23 alcohol use?

24          **INMATE CASTANEDA:** Just like go to work.  
25 Come back, you know, have a couple drinks, clean  
26 around the house.

27          **PRESIDING COMMISSIONER ST. JULIEN:** Was

1 anything - was heavy drinking a habit?

2           **INMATE CASTANEDA:** No.

3           **PRESIDING COMMISSIONER ST. JULIEN:** What  
4 about drug use?

5           **INMATE CASTANEDA:** No, no drug - heavy  
6 drug use. I smoked marijuana once in awhile but  
7 not everyday. You know, I was working. Had a  
8 job. Had a lot of jobs.

9           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
10 so you're basically saying that this encounter  
11 with these two individuals made you so mad that  
12 you wanted to go back and shoot (indiscernible)  
13 what you did?

14           **INMATE CASTANEDA:** Yeah.

15           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
16 and this - you've never had this kind of  
17 reaction before, so what was it about this  
18 night? These people, this instance that really  
19 set you off? So much so that you didn't - you  
20 didn't do what you said you should have done and  
21 all that. What was it about it?

22           **INMATE CASTANEDA:** It was just - I was  
23 just very very mad at them. For trying to shoot  
24 me. They shot at me - they, you know, got in a  
25 fight. It was just over trying to get gas and  
26 get home.

27           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,

1 so as we term that, very trivial. Okay, now what  
2 about the friends that you took? Why do you  
3 think they were willing to become involved?

4           **INMATE CASTANEDA:** Well, they didn't know  
5 about it.

6           **PRESIDING COMMISSIONER ST. JULIEN:** So  
7 they didn't know what you (indiscernible)?

8           **INMATE CASTANEDA:** No. They didn't know  
9 what I had planned.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
11 so - how long - do you know how long, assuming  
12 Mr. Carreon went to the hospital -

13          **INMATE CASTANEDA:** Yeah, I understand he  
14 spent about three days in the hospital.

15          **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
16 So let's - we touched a little bit on your  
17 personal - let's talk about that a little bit  
18 more. So, you have your parents, are still  
19 married?

20          **INMATE CASTANEDA:** They're still married.  
21 As a matter of fact, they'll have their 50<sup>th</sup>  
22 anniversary next February.

23          **PRESIDING COMMISSIONER ST. JULIEN:** Oh,  
24 okay. And you have four brothers?

25          **INMATE CASTANEDA:** Yes, I do.

26          **PRESIDING COMMISSIONER ST. JULIEN:** All  
27 boys?

1           **INMATE CASTANEDA:** All boys.

2           **PRESIDING COMMISSIONER ST. JULIEN:** Your  
3 poor mother. Okay. And you have four kids, as  
4 you said. And, can you just give us a little  
5 overview of what your brothers are doing and  
6 what your children are doing?

7           **INMATE CASTANEDA:** Well, my children - my  
8 oldest boy, he's working three jobs right now.

9           **PRESIDING COMMISSIONER ST. JULIEN:** How  
10 old is he?

11          **INMATE CASTANEDA:** He's 23 years old now.  
12 I handed you some pictures.

13          **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
14 I'm looking at them right now. And you're in  
15 touch?

16          **INMATE CASTANEDA:** Yeah, I'm in touch  
17 with all of them.

18          **PRESIDING COMMISSIONER ST. JULIEN:** Had  
19 you ever lost touch?

20          **INMATE CASTANEDA:** No, I haven't.

21          **PRESIDING COMMISSIONER ST. JULIEN:** So  
22 you have -

23          **INMATE CASTANEDA:** I have four children.

24          **PRESIDING COMMISSIONER ST. JULIEN:** One  
25 boy?

26          **INMATE CASTANEDA:** Two boys and two  
27 girls. And that's my only grandson.

1                   **PRESIDING COMMISSIONER ST. JULIEN:** Oh, I  
2 see.

3                   **INMATE CASTANEDA:** That's just them when  
4 they were younger.

5                   **PRESIDING COMMISSIONER ST. JULIEN:** Oh  
6 wow. So your son has three jobs. Why does he  
7 have three jobs?

8                   **INMATE CASTANEDA:** He's single. He's got  
9 three jobs. He's got a car payment.

10                  **PRESIDING COMMISSIONER ST. JULIEN:** Tell  
11 him he should be a correctional officer. It's a  
12 good career. I'm serious, it's a good career.

13                  **INMATE CASTANEDA:** He's trying to get  
14 into rapping.

15                  **PRESIDING COMMISSIONER ST. JULIEN:** No,  
16 tell him -

17                  **INMATE CASTANEDA:** Yeah, he's been doing  
18 that since he was young.

19                  **PRESIDING COMMISSIONER ST. JULIEN:** Tell  
20 him he can do that in his spare time. He needs  
21 to get a good job.

22                  **INMATE CASTANEDA:** My other son, he's got  
23 another job. He's working through a temporary  
24 agency. My daughter, she's working for a  
25 restaurant. She's a hostess. My youngest  
26 daughter, she's in 10<sup>th</sup> grade.

27                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay,

1 so very good. So you have good relationships  
2 with them?

3           **INMATE CASTANEDA:** Yes.

4           **PRESIDING COMMISSIONER ST. JULIEN:** And  
5 your parents as well. Now is your father in the  
6 military?

7           **INMATE CASTANEDA:** Yes, he is. Well no,  
8 he's a vet. His company or his outfit is  
9 (indiscernible). What they do is they march in  
10 parades to honor our veterans. They honor them  
11 by burials. I got some newspaper clippings.

12          **PRESIDING COMMISSIONER ST. JULIEN:** I bet  
13 they're busy these days.

14          **INMATE CASTANEDA:** Yeah, they -

15          **PRESIDING COMMISSIONER ST. JULIEN:** He  
16 was in the military?

17          **INMATE CASTANEDA:** Yeah. First 101  
18 Airborne Division.

19          **PRESIDING COMMISSIONER ST. JULIEN:** Were  
20 you ever in the military?

21          **INMATE CASTANEDA:** No, I was never in the  
22 military.

23          **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
24 why not? I'm sure he would have -

25          **INMATE CASTANEDA:** I tried to get in when  
26 I was 17 - tried to get in when I was 17 -- it's  
27 just, my father wouldn't sign for me to go to

1 the military. He wanted me to go ahead and  
2 finish my schooling first and - I wish he would  
3 have -

4                   **PRESIDING COMMISSIONER ST. JULIEN:** Any  
5 other of your other brothers?

6                   **INMATE CASTANEDA:** No, they never had any  
7 -

8                   **PRESIDING COMMISSIONER ST. JULIEN:**  
9 That's unusual.

10                  **INMATE CASTANEDA:** Yeah.

11                  **PRESIDING COMMISSIONER ST. JULIEN:** Maybe  
12 they just got turned off. Okay, so what are your  
13 other brothers doing?

14                  **INMATE CASTANEDA:** Working.

15                  **PRESIDING COMMISSIONER ST. JULIEN:** So  
16 are you the only one that has -

17                  **INMATE CASTANEDA:** I'm the only one. Yes.

18                  **PRESIDING COMMISSIONER ST. JULIEN:** So  
19 what was the family's reaction?

20                  **INMATE CASTANEDA:** They were devastated.  
21 They were - I hurt them bad.

22                  **PRESIDING COMMISSIONER ST. JULIEN:** How  
23 did you explain this to your brothers, when it  
24 happened?

25                  **INMATE CASTANEDA:** (Indiscernible) and  
26 hopefully she would understand that - you know -  
27 - what I was going through bad times. There was

1 really nobody for me to lean on at the time,  
2 besides wrong - the wrong people.

3                   **PRESIDING COMMISSIONER ST. JULIEN:** And  
4 where are you in the order of your brothers?

5                   **INMATE CASTANEDA:** I'm the fourth one and  
6 have a younger brother. My two older brothers,  
7 they're twins and then I have one that's  
8 younger, then there's me and my youngest  
9 brother.

10                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
11 so how do you feel this impacted your children's  
12 lives?

13                  **INMATE CASTANEDA:** Well, by looking at  
14 them pictures, it impacted them very bad.  
15 They've been without a father for the last  
16 fifteen years. All because of my (indiscernible)  
17 and they've been through a lot. I hear them,  
18 talk to them, write to them. Right now, my  
19 daughters are trying to figure out why I'm not  
20 home with them when I keep telling them - trying  
21 to explain to them - right now, it's just - my  
22 daughters especially, they distance themselves  
23 because they think I'm giving them false hope. I  
24 try to explain to them that I'm trying to do -  
25 I've done everything the best I can with what  
26 programs are in here to learn multiple skills.  
27 Operate a \$100,000.00 machine for the PIA

1 Industries. I've got job offers. Got newspaper -  
2 - my father got me a subscription to the San  
3 Gabriel Tribune for the classified ads. I've  
4 applied to a lot of the classified ads for C & C  
5 operator. Hopefully - I'm giving them false  
6 hope.

7           **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
8 there's a lot involved in this whole process.

9           **INMATE CASTANEDA:** Yeah, I understand.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Okay.  
11 There were some - a couple of statements that  
12 concerned me when I read your probation  
13 officer's report. Now in that, it's under Gang  
14 Activity, it says you have slight ties with  
15 these Isuza (phonetic) 13 gangs. So maybe that's  
16 where some of this other stuff comes -

17          **INMATE CASTANEDA:** I went to school with,  
18 you know, in the neighborhood.

19          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
20 so let me go over these things that - I don't  
21 know if you went over them before or not, but  
22 they're concerning - if they're concerning to  
23 me, I think they'll be concerning to others.  
24 Now, it says you show no regret or remorse for  
25 your actions and that you said that you'd do the  
26 same thing again. Indicated to the investigative  
27 detectives that you would (indiscernible) the

1 act again, given the same circumstances, only  
2 using a bigger gun. This clearly shows that the  
3 defendant, at the time has no remorse or concern  
4 for the victim or his (indiscernible). So how do  
5 you - is that an accurate description of what  
6 you said at the time?

7           **INMATE CASTANEDA:** That was at the time  
8 of the investigation, which - yeah -

9           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
10 so now, someone like me - reading this, what do  
11 you think I thought when I read that?

12           **INMATE CASTANEDA:** I understand. Like I  
13 said, I wouldn't want to have you guy's job in  
14 determining -

15           **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
16 but I'm just thinking - okay, so you aren't  
17 remorseful -

18           **INMATE CASTANEDA:** Well, at the time, no.

19           **PRESIDING COMMISSIONER ST. JULIEN:** You  
20 just said you would use a bigger gun. Okay, so  
21 that indicates, okay well, he wished he killed  
22 this guy.

23           **INMATE CASTANEDA:** Yeah, at the time. I  
24 understand.

25           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
26 so now why would somebody who felt this strongly  
27 about what he did and that he was in the right,

1 how does - how long has it been?

2           **INMATE CASTANEDA:** 15 years.

3           **PRESIDING COMMISSIONER ST. JULIEN:** 15  
4 years, okay.

5           **INMATE CASTANEDA:** March 21<sup>st</sup> of this  
6 month.

7           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
8 so how does 15 years change - really this  
9 extreme disregard for the -

10          **INMATE CASTANEDA:** I understand, I almost  
11 took a human's life and that was wrong for me.

12          **PRESIDING COMMISSIONER ST. JULIEN:** And  
13 you wanted to. Okay, so how do we deal with that  
14 today?

15          **INMATE CASTANEDA:** Well, all I'm trying  
16 to do is look forward and put that behind me. I  
17 can't change what I did. I can only better it  
18 and think positive about what I did.

19          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
20 you can't change it. But we're here today  
21 because of what you did.

22          **INMATE CASTANEDA:** Exactly.

23          **PRESIDING COMMISSIONER ST. JULIEN:** So,  
24 you have to address this.

25          **INMATE CASTANEDA:** Well, like I said, I  
26 was wrong. At that time, I was angry. I was  
27 immature, even though I was at the age of 27.

1 I'm 43, going on 44. I've matured and thought a  
2 lot about it. I'm sorry. I apologize. I only  
3 wish to move forward.

4           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
5 so you are out on parole pretty much in the same  
6 area, geographically. I have no idea where these  
7 guys are. Let's say they want revenge on you.

8           **INMATE CASTANEDA:** The only thing -

9           **PRESIDING COMMISSIONER ST. JULIEN:** Or  
10 their kids want revenge on you for something.  
11 So, they're throwing bottles and rocks and stuff  
12 at your car or house, what do you do?

13           **INMATE CASTANEDA:** Call the authorities,  
14 like I was supposed to do in the first place.

15           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
16 you are working - something goes wrong, and you  
17 get fired for something you did do, you didn't  
18 do, whatever. You're down on your luck again.  
19 People are not as supportive as you should be,  
20 what do you do? How do you handle that?

21           **INMATE CASTANEDA:** There are other  
22 resources. I could go to the Unemployment  
23 Office.

24           **PRESIDING COMMISSIONER ST. JULIEN:** How  
25 do you emotionally handle the frustrations, the  
26 rejections? The negative aspects of life on the  
27 outside? What's in you today that can let you

1 handle those things?

2           **INMATE CASTANEDA:** There's hope that  
3 there are solutions to stressful situations in  
4 life. There are better ways to handle them -  
5 positive ways, not negative ways.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Do  
7 you take a drink?

8           **INMATE CASTANEDA:** No, that's not the  
9 problem - that's not the solution to the  
10 problem. That's only asking for more problems.  
11 That impairs a person's judgment - I understand  
12 that. I understand that completely. I vowed  
13 never to use any type of alcohol or controlled  
14 substance unless under doctor supervision and I  
15 truly mean that from the bottom of my heart. I  
16 will not ever touch another drink of alcohol.

17           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
18 well we'll move onto your support and opposition  
19 letters. I don't have any opposition. I do have  
20 - the Board sends out 3042 notices which are  
21 notices that go to law enforcement, the courts  
22 and others that have an interest in your case.  
23 We do, of course, have the District Attorney  
24 from Los Angeles County here. I don't have any  
25 words or correspondence. We do have a support  
26 letter from your parents. Mr. and Mrs.  
27 Castaneda. They still live in Isuza. And they're

1 saying that, "As the Father and Mother, we will  
2 support" - they will support you in every way  
3 possible. This includes housing and food. And,  
4 they want to let you know - they want to let us  
5 know that they will involve you in the community  
6 as well. They made - they give an outline of  
7 your accomplishments here and they say that  
8 they've saved money and will purchase tools that  
9 will help you start your new direction and that  
10 you have (indiscernible) the inside into  
11 yourself and your ability to make positive  
12 decisions and they're also involved in the  
13 church and (indiscernible) that you will be,  
14 too. And, that it's very important for you to be  
15 with your family, okay? And then we have a  
16 letter from Castro Electric in Isuza (phonetic)  
17 and it's William Castro and the letter says  
18 that, first of all, they're hoping for you to  
19 get paroled. They've known you - or he's known  
20 you for over twenty years and he knows your  
21 parents. I guess the families - two families  
22 know each other?

23           **INMATE CASTANEDA:** Yes.

24           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
25 and he says, "In 1990 I started my own  
26 contracting company. I'm an electrical  
27 contractor. Before I started my business, Martin

1 used to help me on side jobs. He was a very  
2 good, hard worker. Very respectable to  
3 customers, even though you had another job, you  
4 did work for extra money to help your family".  
5 He says, "I know Martin will be closely  
6 monitored by his parole officer and if he's  
7 released, I will keep his parole officer  
8 completely informed of his progress". And that,  
9 Mr. Castro gives a lot - a few of his  
10 accomplishments as well and his community  
11 activities with the Little League and I think  
12 with the - he's also - and is electronics your  
13 trade?

14           **INMATE CASTANEDA:** No.

15           **PRESIDING COMMISSIONER ST. JULIEN:** Do  
16 you know how to do the work?

17           **INMATE CASTANEDA:** Yeah, I know how to do  
18 the work. I used to work for him - just a  
19 neighbor. He'd teach me his trade.

20           **PRESIDING COMMISSIONER ST. JULIEN:** I  
21 forgot to mention your prior criminal record.  
22 Don't have too many juvenile offenses. As an  
23 adult, however, it looks like you had two  
24 probation terms. Receiving Stolen Property and  
25 Possession of a Dangerous Weapon in the '80's.  
26 Had you ever been to jail or prison before?

27           **INMATE CASTANEDA:** No, this is my first

1 time.

2 **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

3 So you would live with your parents and then you  
4 would work with Mr. Castro?

5 **INMATE CASTANEDA:** No. Well, what I would  
6 do is look for a job as a C&C operator. Do what  
7 the trade that I'm currently working right now.  
8 Through the PIA. They have a job placement  
9 program. That's why my father got me the  
10 subscription to the newspaper and there's a lot  
11 of classified ads and they are looking for C&C  
12 operators - within the respective area that I'd  
13 be living in my parents' house.

14 **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

15 Commissioner Mejia, would you like to proceed  
16 with post conviction?

17 **DEPUTY COMMISSIONER MEJIA:** Yes, Mr.  
18 Castaneda, I'll be (indiscernible) this portion  
19 of this hearing since your last court  
20 appearance. I have reviewed the Central File and  
21 Board reports and have the - your last  
22 appearance was on August 28, 2003, wherein you  
23 received a two year denial. The recommendations  
24 for you remains in our (indiscernible)  
25 participate in self-help, (indiscernible)  
26 classifications 19 (indiscernible), PIA as a  
27 machine operator. Above average, exceptional,

1 excellent work report. (indiscernible) '93. 4.9  
2 GPL, Completed Upholstery in 1996. You have a  
3 Certificate of Efficiency PIA furniture shop  
4 operator, you have AA in 1994, the last  
5 (indiscernible) I've seen I 1999. One and one,  
6 1997 in (indiscernible) therapy. One anger  
7 management, 2002. And three-hour (indiscernible)  
8 2003. Did you do anything between August 28,  
9 2003 to present when it comes to self-help?

10           **INMATE CASTANEDA:** Yes, I have a  
11 certificate of completion here through Muslim  
12 Services. Anger Management and Fatherhood.

13           **DEPUTY COMMISSIONER MEJIA:** It's not in  
14 your file yet, so be sure it gets in there.  
15 Anger Management course - 12 week Anger  
16 Management course with the Muslim Chapel  
17 10/1/05. And Fatherhood - that's the same thing,  
18 right?

19           **INMATE CASTANEDA:** Yeah, their both the  
20 same - it was the whole complete thing.

21           **DEPUTY COMMISSIONER MEJIA:** Have you done  
22 any AA?

23           **INMATE CASTANEDA:** No, I haven't.

24           **DEPUTY COMMISSIONER MEJIA:** Why? The last  
25 one is 1990, so that's a -

26           **INMATE CASTANEDA:** Last one was back in  
27 1999.

1           **DEPUTY COMMISSIONER MEJIA:** And why did  
2 you stop going to AA - NA/AA?

3           **INMATE CASTANEDA:** I think I benefited  
4 and got what I could out of those - that  
5 program. Made a conscious decision never to use  
6 any type of drug or alcohol. I've learned my  
7 lesson.

8           **DEPUTY COMMISSIONER MEJIA:** To be honest  
9 with you, your chronos in your file about your  
10 AA attendance is sporadic. From 1994 to 1999.  
11 You know, it's not (indiscernible) when it comes  
12 to the court. I'm not saying you haven't been  
13 attending, but the chronos or documentation  
14 showed that you had been attending consistently  
15 from 1994 to 1999 and it's not here in the file.  
16 I see sporadic -

17           **INMATE CASTANEDA:** The last one I  
18 attended in '99.

19           **DEPUTY COMMISSIONER MEJIA:** What have you  
20 learned in AA or NA?

21           **INMATE CASTANEDA:** I learned that -

22           **DEPUTY COMMISSIONER MEJIA:** Do you know  
23 the twelve steps? Let's go straight to the  
24 question - twelve steps. And you thought that  
25 you didn't need it anymore.

26           **INMATE CASTANEDA:** To admit when I was  
27 wrong. That alcohol does have an effect on you

1 when - when I was wrong.

2           **DEPUTY COMMISSIONER MEJIA:** I'll help you  
3 out. What is step one?

4           **INMATE CASTANEDA:** To admit that I was  
5 powerless over alcohol.

6           **DEPUTY COMMISSIONER MEJIA:** Okay, that's  
7 one. Let's go to step two.

8           **INMATE CASTANEDA:** Two, came to believe  
9 that a power that was greater than myself could  
10 restore me to sanity.

11          **DEPUTY COMMISSIONER MEJIA:** Okay, three?

12          **INMATE CASTANEDA:** I think it's made a  
13 decision to turn my life over to a higher God  
14 but -

15          **DEPUTY COMMISSIONER MEJIA:** Good. You're  
16 doing good. Four? I don't expect you to know  
17 it.

18          **INMATE CASTANEDA:** Like I said, it's  
19 been-

20          **DEPUTY COMMISSIONER MEJIA:** What  
21 benefited you most on these twelve steps that's  
22 made you feel that you don't need it anymore?

23          **INMATE CASTANEDA:** To take a personal  
24 inventory - a moral inventory of myself and when  
25 I was wrong, promptly admit it.

26          **DEPUTY COMMISSIONER MEJIA:** Are you -  
27 have you already talked to (indiscernible)and

1 part of your commitment and trust was because  
2 you used alcohol - you were using alcohol at the  
3 time?

4           **INMATE CASTANEDA:** Yes.

5           **DEPUTY COMMISSIONER MEJIA:** If you didn't  
6 use alcohol, maybe you'd have a better -

7           **INMATE CASTANEDA:** I would have had  
8 better judgment, exactly.

9           **DEPUTY COMMISSIONER MEJIA:** How would you  
10 remain alcohol free in the community if you  
11 stopped doing it here?

12          **INMATE CASTANEDA:** One day at a time.

13          **DEPUTY COMMISSIONER MEJIA:** Do you see my  
14 point though?

15          **INMATE CASTANEDA:** I understand.

16          **DEPUTY COMMISSIONER MEJIA:** If you  
17 stopped doing it here, what is your plan to  
18 remain alcohol free in the community when we  
19 release you?

20          **INMATE CASTANEDA:** Well, knowing that  
21 people in society - when they go to these  
22 programs, they want to benefit from - where I'm  
23 around people who go just for the chrono for the  
24 satis -

25          **DEPUTY COMMISSIONER MEJIA:** We're on side  
26 B of this tape - go ahead.

27          **INMATE CASTANEDA:** I know I'd be around

1 other citizens who - where I could find a  
2 sponsor within the group to help me whenever I -  
3 if I ever had the urge to drink, which, like I  
4 stated before, I would never touch the stuff  
5 ever again.

6           **DEPUTY COMMISSIONER MEJIA:** There's -  
7 you've been away from the program for about what  
8 -seven years now. And that is why we have always  
9 recommend people to attend that at such a time  
10 that they consistently (indiscernible) some  
11 sponsor (indiscernible) enable them to - and  
12 also make the - able to have some information on  
13 how they ended up in the streets.

14           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
15 let's take a minute. Because I know you filed a  
16 writ and one of the points in the writ was  
17 attending AA.

18           **INMATE CASTANEDA:** Right.

19           **PRESIDING COMMISSIONER ST. JULIEN:** So I  
20 want to make it clear that it is not that we are  
21 saying you have to go to AA --- attend AA. Any  
22 twelve-step program and I understand completely  
23 your point. I hear this time and time again that  
24 sometimes AA isn't much benefit to people here  
25 because of the other people going just for the  
26 sake of going, or whatever. But, the reason why  
27 we usually say AA because it's - like the

1   Commissioner was saying, it's what's out there.  
2   You know, it's big. You can go anywhere and get  
3   an AA meeting, or whatever. But, if you can do a  
4   twelve-step program on your own, that's great.  
5   But, you do have to have some kind of relapse  
6   prevention program in your life.

7                 **INMATE CASTANEDA:** Exactly. And, like I  
8   said -

9                 **PRESIDING COMMISSIONER ST. JULIEN:** I'm  
10   sorry - I just wanted to add that. Since it was  
11  an issue before.

12                **DEPUTY COMMISSIONER MEJIA:** Well, we -  
13  it's an issue. What did the court say about  
14  that? (indiscernible) we are not -

15                **PRESIDING COMMISSIONER ST. JULIEN:** No,  
16  we can't mandate you go to AA but we can, for  
17  your own good -

18                **DEPUTY COMMISSIONER MEJIA:** We are not  
19  basing our decision just on the self-help. We  
20  have a big picture.

21                **PRESIDING COMMISSIONER ST. JULIEN:**  
22  Right. No, that's what I'm saying, that AA was -  
23  -

24                **DEPUTY COMMISSIONER MEJIA:** But, I'm  
25  trying to give you some reasoning why we expect  
26  people to go to structured meetings for self-  
27  help like NA or AA because that's the time you

1 are able to get some - like she said, relapse  
2 prevention. You're able to complete your  
3 sobriety. Even outside the prison system.

4           **INMATE CASTANEDA:** I understand that and  
5 as part of the parole agreement, I will go to  
6 them.

7           **DEPUTY COMMISSIONER MEJIA:** Have you  
8 checked outside (indiscernible), or what kind of  
9 -

10          **INMATE CASTANEDA:** I have - yes, I have.  
11 I have resources here that the institution has  
12 provided me a packet of different locations  
13 within the area. Upon release, if I'm - I will  
14 take this and utilize it to the best of my  
15 abilities. As far as - I got multiple resources  
16 here of locations. Addresses -

17          **DEPUTY COMMISSIONER MEJIA:** Like what?

18          **INMATE CASTANEDA:** Well, I have - I know  
19 I highlighted it.

20          **DEPUTY COMMISSIONER MEJIA:**

21 (indiscernible) where will you go if you start  
22 having more problems in the streets? What kind  
23 of resource are they going to have over there?  
24 Other than family. I know family is good  
25 support. I'm very well aware of that.

26          **INMATE CASTANEDA:** Well, there's  
27 Alcoholic's Anonymous place at the church. Go

1 through the resources I have here to find the  
2 locations.

3                   **PRESIDING COMMISSIONER ST. JULIEN:** I  
4 thought you said you didn't want to go to AA?  
5 You objected to going to AA because they're  
6 religious.

7                   **INMATE CASTANEDA:** Well, if it was part  
8 of the program, as far as my parole. I'd go. I  
9 mean -

10                  **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
11 but you made a big deal about that you don't  
12 want to go to AA.

13                  **INMATE CASTANEDA:** Well, I don't want  
14 religion to be forced on me.

15                  **PRESIDING COMMISSIONER ST. JULIEN:** We  
16 don't either.

17                  **DEPUTY COMMISSIONER MEJIA:** We don't  
18 either.

19                  **PRESIDING COMMISSIONER ST. JULIEN:** But I  
20 guess that you made a big deal that you don't  
21 want to go to AA, so we're just trying to figure  
22 out from you, what are you going to do? Do you  
23 have a relapse prevention program? Have you - I  
24 don't know - have you been asked that before?

25                  **INMATE CASTANEDA:** No, I have never.

26                  **DEPUTY COMMISSIONER MEJIA:** That's what  
27 we ask every parolee from having substance abuse

1 (indiscernible) psych review on the house  
2 arrest. Relapse prevention is something that  
3 will prevent you from going back from where you  
4 came from. (indiscernible).

5           **INMATE CASTANEDA:** Like I stated before,  
6 I made a conscious decision never to use the  
7 stuff. I understand that people do relapse, and  
8 I understand that you're not in your right mind  
9 when you are under the influence and it's a  
10 place that I don't ever wish to go again.

11           **DEPUTY COMMISSIONER MEJIA:** Okay, anyway,  
12 I also so the - did you say that you have  
13 appealed your - you being labeled as an Isuza  
14 (phonetic) 13 gang member?

15           **INMATE CASTANEDA:** Yes, I have.

16           **DEPUTY COMMISSIONER MEJIA:** I saw  
17 something here. When you were in Pelican Bay  
18 (indiscernible) Is that when you did it?

19           **INMATE CASTANEDA:** Yeah, it was found  
20 that - no, the last statement that the counselor  
21 wrote, when he indicated that I was part of  
22 some, so-called (indiscernible) Isuza Sureno 13  
23 street gang, which doesn't even exist.

24           **DEPUTY COMMISSIONER MEJIA:** That's in  
25 your POR.

26           **INMATE CASTANEDA:** That's in my POR?

27           **DEPUTY COMMISSIONER MEJIA:** Say you are

1 slightly - page number

2           **PRESIDING COMMISSIONER ST. JULIEN:**

3 Probation.

4           **DEPUTY COMMISSIONER MEJIA:** Probation -

5 yeah.

6           **INMATE CASTANEDA:** That I have slightly a  
7 - well, because I'm not.

8           **DEPUTY COMMISSIONER MEJIA:** That's where  
9 she based it - we based it from.

10          **INMATE CASTANEDA:** I've never been ever  
11 arrested for any type of gang activities. I've  
12 never participated in any gang activities. I  
13 went to school within the city limits of Isuza  
14 where other members - I mean other students -  
15 you know, but as far as participating in any  
16 type of gang activities, no.

17          **DEPUTY COMMISSIONER MEJIA:** So, when did  
18 you file that appeal?

19          **INMATE CASTANEDA:** That was back in '93  
20 when I filed an appeal on the counselor's -

21          **DEPUTY COMMISSIONER MEJIA:** What prison?

22          **INMATE CASTANEDA:** Right here in Soledad.

23          **DEPUTY COMMISSIONER MEJIA:** Yeah. I found  
24 the one from Pelican Bay when (indiscernible)

25          **INMATE CASTANEDA:** Right here in Soledad  
26 when he gave me the report that he had written  
27 up.

1           **DEPUTY COMMISSIONER MEJIA:** But anyway, I  
2 feel that (indiscernible) it's going to come up  
3 as you're an associate. And some will be  
4 (indiscernible) at Pelican Bay they were saying  
5 that the shooting was gang related. I don't  
6 (indiscernible) in the PR saying slightly  
7 associated.

8           **INMATE CASTANEDA:** No. This was an  
9 individual. It had no ties with no gangs,  
10 whatsoever.

11          **DEPUTY COMMISSIONER MEJIA:** What have you  
12 learned so far as - because I was looking at the  
13 situation. You have - there's no - no need to be  
14 back there and whose weapon was it?

15          **INMATE CASTANEDA:** Just somebody that -  
16 One of the guys that went with me. I had asked  
17 him if he could get me one, but he didn't know  
18 what I was going to use it for.

19          **PRESIDING COMMISSIONER ST. JULIEN:** Last  
20 year you said you had it (indiscernible) around  
21 that house.

22          **INMATE CASTANEDA:** Well, yeah. I had  
23 asked him to get me one and I had it around the  
24 - this was awhile back, before the incident even  
25 happened because my house had gotten broken into  
26 and I didn't call the cops or nothing. I just  
27 figured I'd catch whoever was - I was young and

1 not thinking. Well, I was immature.

2           **PRESIDING COMMISSIONER ST. JULIEN:** Okay.

3           **DEPUTY COMMISSIONER MEJIA:** So, between -  
4 - so you did one Anger Management in 2005 and  
5 then you did the Anger Management in 2002, also.

6           **INMATE CASTANEDA:** It was a project  
7 change.

8           **DEPUTY COMMISSIONER MEJIA:** Yeah. What  
9 happened to the impact program that you - that  
10 you went on the waiting list for?

11          **INMATE CASTANEDA:** They don't have it no  
12 more.

13          **DEPUTY COMMISSIONER MEJIA:** They don't  
14 have it. What have you learned about anger  
15 management?

16          **INMATE CASTANEDA:** How to control my  
17 situation. I can only control my environment  
18 around me. I can't control other people's  
19 situation. Getting in a tight situation - take  
20 the time to think before you react.

21          **DEPUTY COMMISSIONER MEJIA:** Well, you've  
22 had a lot of time to think before you reacted in  
23 that situation.

24          **INMATE CASTANEDA:** Yeah, I was really  
25 upset - mad. I was really mad. At the time, I  
26 was mad.

27          **DEPUTY COMMISSIONER MEJIA:** Let me go

1 back - go to your psychological report, October  
2 17, 2002. Isn't that - we're looking at the same  
3 document, Counsel? That's the most recent? This  
4 was Dr. Hewchuk, H-E-W-C-H-U-K. Staff  
5 Psychologist. Let's go back to - the reason I  
6 was focusing on the substance abuse is that's  
7 also his issues when it comes to the substance  
8 abuse history. During the clinical interview,  
9 Inmate Castaneda denied the habitual use of both  
10 alcohol and drugs although he admitted to  
11 drinking socially and occasionally experimenting  
12 with marijuana. At the same time during his 1999  
13 clinical interview conducted by Dr. Martin  
14 Harshfeld (phonetic), in preparation for both  
15 prison (indiscernible) terms, psychological  
16 report, Inmate Castaneda admitted that following  
17 separation from his wife (indiscernible) for a  
18 period of two years, (indiscernible) indicate  
19 that heavy alcohol use was (indiscernible).  
20 Most recently -so that was the issue, that's why  
21 I said the alcohol needs to be addressed here  
22 and also outside in the streets. We were going  
23 to stress - we were going to stress how you do  
24 that. Stressing on life here is different than  
25 (indiscernible)

26           **INMATE CASTANEDA:** I understand that. All  
27 I can do is one day at a time. Moment by moment

1 - in the moment. I know, like I said, I know  
2 alcohol impairs you and that's a state of mind I  
3 don't wish to visit ever again. I say that with  
4 all sincerity.

5           **DEPUTY COMMISSIONER MEJIA:** And the  
6 diagnostic impressions of that time also was  
7 Axis I, alcohol abuse and institutional  
8 (indiscernible). No (indiscernible) personality  
9 disorder Axis II, Axis III, Level II  
10 (indiscernible), Axis IV incarceration, Axis V  
11 (indiscernible). According to these  
12 psychologists, Inmate Castaneda appears to have  
13 addressed both anger management and alcohol  
14 abuse issues. During the course of his  
15 incarceration consequently providing that  
16 alcohol and drug abstinence is maintained.  
17 (indiscernible) Inmate Castaneda's prognosis for  
18 community adjustment is good. Assessment of  
19 dangerousness: Inmate's violence potential  
20 (indiscernible) institutional setting is below  
21 average, relatively in provocation. This  
22 conclusion is based on private (indiscernible).  
23 Relative (indiscernible) free. Only have one 115  
24 in 19 - in the year of -

25           **INMATE CASTANEDA:** Year 2000.

26           **DEPUTY COMMISSIONER MEJIA:** 2000.

27 (Indiscernible) during lockdown. And three

1 128's. If released into the community - this  
2 conclusion is based on the fact that he has to  
3 make - (indiscernible) duration of his  
4 incarceration and as for (indiscernible) if  
5 released into the community, Inmate Castaneda's  
6 violence potential is estimated below normal  
7 than the average citizen. Providing that drug  
8 and alcohol abstinence is strictly enforced.  
9 Should he be released, it is recommended that  
10 Inmate Castaneda receive the regular supervision  
11 and close monitoring with respect to alcohol  
12 abuse. Mr. Castaneda is competent and  
13 responsible for the (indiscernible) behavior. He  
14 has the capacity (indiscernible) institutional  
15 standards and (indiscernible). Inmate Castaneda  
16 does not have the history of mental disorder  
17 which would necessitate treatment in or during  
18 his incarceration period or following parole.  
19 Inmate Castaneda (indiscernible) use of alcohol  
20 (indiscernible) consequently it is recommended  
21 his behavior be monitored closely during his  
22 parole. Due to a very strong support system from  
23 both his parents and children, it is expected  
24 that Inmate Castaneda (indiscernible) back in  
25 society will be an uneventful process. Any  
26 additions, Counsel?

27                   **ATTORNEY SPOWART:** I have nothing right

1 now at this time.

2           **DEPUTY COMMISSIONER MEJIA:** Commissioner?

3           **PRESIDING COMMISSIONER ST. JULIEN:**

4 Excuse me, okay. There's another inflammatory  
5 statement you made that I just want to clear up.  
6 It was at the time of the crime. You said, "His  
7 day will come someday, I won't say when". After  
8 you said you'd wished you'd had a bigger gun.

9 Okay, so should we interpret that as a future  
10 threat?

11           **INMATE CASTANEDA:** No. I - I know I said  
12 that and I'm sorry I said that. Like I said, I  
13 was angry at the time. I'm not that person I am  
14 today. I wish - I'm sorry. I apologize, I'm  
15 truly sorry.

16           **PRESIDING COMMISSIONER ST. JULIEN:** And  
17 perhaps you can, in your closing statement or  
18 whatever, talk - address what you're going to do  
19 - how you're going to handle situations being  
20 back in that same community. Let's say - you  
21 know, if you run into Mr. Carrion or some of his  
22 family.

23           **INMATE CASTANEDA:** I don't know -

24           **PRESIDING COMMISSIONER ST. JULIEN:** I  
25 mean, what if they're out to get you?

26           **INMATE CASTANEDA:** All I can do is call  
27 the authorities and hopefully they will react -

1 you know - take care of the situation. I will  
2 not react the way I did last time.

3                   **PRESIDING COMMISSIONER ST. JULIEN:** Mr.  
4 Jacobs, do you have other questions for Mr.  
5 Castaneda?

6                   **DEPUTY DISTRICT ATTORNEY JACOBS:** Yes, I  
7 do. Mr. Castaneda indicates his ex-girlfriend  
8 was apparently our victim's brother's girlfriend  
9 was named Gloria, however, I'm reading police  
10 reports that were provided for me and I see an  
11 interview with a Lisa Busaro (phonetic) and she  
12 apparently - or Bucera - she apparently was the  
13 girlfriend according to her statement. I'd like  
14 some clarification as to who were talking about.  
15 Is it Lisa or Gloria that was driven to the  
16 Carrion house that caused the confrontation?

17                  **INMATE CASTANEDA:** It was - Gloria was  
18 the driver that - is how she got there. Lisa is  
19 the girl that started the confrontation with the  
20 female at my house.

21                  **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
22 and I think I actually probably said the name  
23 Gloria. I might have been wrong - obviously I  
24 was wrong.

25                  **DEPUTY DISTRICT ATTORNEY JACOBS:** In the  
26 reports that I read, I find that Mr. Carrion -  
27 or Mr. Castaneda has made several statements to

1 probation, to investigating officer and that  
2 after the altercation - after he was "beaten  
3 up", he then ran to a nearby friend's house and  
4 got gas from him. Is that in fact, a true  
5 statement?

6           **INMATE CASTANEDA:** Yes, it is.

7           **DEPUTY DISTRICT ATTORNEY JACOBS:** Next  
8 question would be is - considering that there  
9 was obvious animosity there and we have  
10 involvement between a boyfriend and an ex-  
11 boyfriend that was obviously rapidly going  
12 downhill, why did the inmate make such a scene?  
13 Why didn't he just go to his friend's house  
14 nearby and get gas?

15           **INMATE CASTANEDA:** I was - I was closer  
16 to the residence that I had dropped the female  
17 off and figured, you know, there was no  
18 animosity at the time. I didn't know that that  
19 was going to take place. I didn't know who the  
20 people were. I knew she - I had dropped her off  
21 there, I was hoping to just get help, get gas  
22 and not anything else.

23           **DEPUTY DISTRICT ATTORNEY JACOBS:** Does  
24 the prisoner remember talking to the two  
25 investigating officers from Isuza P.D.,  
26 Detective Arnold and Detective Compton?

27           **INMATE CASTANEDA:** I don't recall - I

1 read the police report.

2           **DEPUTY DISTRICT ATTORNEY JACOBS:** Does  
3 the prisoner recall talking to any police  
4 officer and having the interview tape recorded?

5           **INMATE CASTANEDA:** No, I don't. Unless  
6 it was when they came to my house and they were  
7 recording it and I gave them approval to search  
8 my house.

9           **DEPUTY DISTRICT ATTORNEY JACOBS:** I have  
10 a statement, Isuza police report, dated October  
11 11, 1990 relating a tape-recorded interview of  
12 the inmate by Detective Jerry Arnold and  
13 Detective Compton of the Isuza Police Department  
14 it was held in the jail interview room. I'd like  
15 to ask some questions from the statements  
16 thereabout to clarify the chain of events.

17           **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
18 if there's just a couple - do you have just a  
19 couple questions?

20           **DEPUTY DISTRICT ATTORNEY JACOBS:** In that  
21 statement, the prisoner told the officers that  
22 when he went to the Carrion house to help get  
23 assistance from the girl to get gas, the girl  
24 refused to come out and talk to him and a male  
25 subject told him to "fuck off and leave". Did  
26 that happen?

27           **INMATE CASTANEDA:** Yes, it did.

1           **DEPUTY DISTRICT ATTORNEY JACOBS:** At that  
2 point, the inmate indicated that he and the male  
3 subject exchanged verbal challenges with each  
4 other and eventually he told the subject, "If  
5 you want trouble dude, jump over the fence".  
6 Did that occur?

7           **INMATE CASTANEDA:** Not exactly like that.

8           **DEPUTY DISTRICT ATTORNEY JACOBS:** What  
9 happened?

10          **INMATE CASTANEDA:** When the female told  
11 me she was not coming out, then I told her don't  
12 ever come to my house again. At that point, the  
13 male occupant asked me if I wanted problems, I  
14 said "You know what, I'm done with you. If you  
15 want to jump over the fence, I'm out of here".  
16 And that's when he jumped the fence.

17          **DEPUTY DISTRICT ATTORNEY JACOBS:** I ask  
18 the question again of the inmate. At the point  
19 in time when the - when Lisa indicated she  
20 didn't want to him around -

21          **ATTORNEY SPOWART:** I may object anymore.  
22 We're not here to re-try the case. It was a  
23 plea-bargain. He admitted what happened. I  
24 don't understand what he's - we're not here to  
25 re-try the case.

26          **DEPUTY DISTRICT ATTORNEY JACOBS:** I would  
27 like to know why he didn't go get gas from his

1 friend instead of carrying on this argument that  
2 eventually led to a shooting. It's real simple.  
3 They had a nearby friend eventually providing  
4 gas, yet the inmate had opportunities to go  
5 there and did not go and I'd like to know why.

6           **PRESIDING COMMISSIONER ST. JULIEN:** Just  
7 say the last - this will be the last question.  
8 Because we don't need to re-try this -

9           **INMATE CASTANEDA:** Like I said, I was  
10 closer to the residence that I dropped the  
11 female off. It wasn't until I got away from  
12 them further away enough to where I got closer -  
13 I was more further away from my house than I was  
14 when I started getting to my house, my friends  
15 live closer - the people that I got gas from  
16 live closer from my house. So in other words, I  
17 went - let's see how - the closer I got to my  
18 house, I ended up at their house first and I  
19 noticed that they were home and I asked them for  
20 help.

21           **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
22 Mr. Spowart?

23           **ATTORNEY SPOWART:** This area you lived  
24 in, what is the name of the town?

25           **INMATE CASTANEDA:** The City Isuza.

26           **ATTORNEY SPOWART:** Isuza?

27           **INMATE CASTANEDA:** Yes.

1           **ATTORNEY SPOWART:** Okay, you stated that  
2 there is a gang in this area?

3           **INMATE CASTANEDA:** Well, there's gangs in  
4 all cities.

5           **ATTORNEY SPOWART:** Yeah, I mean - local.

6 This was a local gang.

7           **INMATE CASTANEDA:** Well, yeah in the  
8 public schools there are -yeah, there are gangs  
9 within this school district.

10          **ATTORNEY SPOWART:** From the neighborhood?

11          **INMATE CASTANEDA:** Yes.

12          **ATTORNEY SPOWART:** So you knew some of  
13 these guys?

14          **INMATE CASTANEDA:** Well yeah, I went to  
15 school with them, yeah.

16          **ATTORNEY SPOWART:** Okay.

17          **INMATE CASTANEDA:** I played baseball with  
18 them. I grew up with them, but as far as running  
19 with that particular gang, no I didn't.

20          **ATTORNEY SPOWART:** I have no further  
21 questions.

22          **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
23 a closing statement, Mr. Jacobs?

24          **DEPUTY DISTRICT ATTORNEY JACOBS:** The  
25 prisoner indicates that he was not affiliated  
26 with a gang, yet police reports that have been  
27 provided for me today indicate otherwise. We

1 have 19 - in 2003 this was gone over with the  
2 prisoner at the Board hearing there and they  
3 related a whole series of events. The prisoner  
4 going to Pelican Bay, documentation of street  
5 gang affiliation, ongoing gang problems with  
6 Hispanics after leaving Pelican Bay and Ad Seg.  
7 His - I believe it was the Board Report - I'm  
8 sorry it was the hearing that - 1997  
9 Commissioner Conin (phonetic) indicated that if  
10 he continued doing what he was doing in 1990 and  
11 1991, he would be in prison forever. And what  
12 that referred to was apparently a confidential  
13 file indicating he was a shot caller for MA.  
14 So, I think the Board needs to consider how  
15 truthful the prisoner was in regards to his gang  
16 affiliation, because it seems to extend at least  
17 initially, into his - into the prison when he  
18 was sent here, however, that's not my concern.  
19 My real concern is is that his attitude problem  
20 that he is just beginning to overcome does not  
21 apply to his alcohol abuse which he tends to  
22 minimize every time he's questioned about it. I  
23 went through the post-conviction progress  
24 reports and after reading them all and writing  
25 them down, this is what I've determined. From  
26 reception in 1991 to 1997, he had no  
27 participation in self-help groups or group

1 activities. February, 2003 to 2005 he did not  
2 participate. He's been in custody for 14 years  
3 and for seven years plus two and a half years  
4 for a total of nine and a half years, he did not  
5 participate in self-help such as AA, even though  
6 alcohol was a contributing factor to the life  
7 crime, according to several psychological  
8 reports. That means he's been in therapy self-  
9 help for about one third of his total stay at  
10 CDC, which is dismal showing that considering  
11 the fact that had he not been drinking he  
12 probably not - probably have not committed this  
13 crime. At one point in time, it was suggested  
14 that he needed to develop an AA contact in the  
15 community before he was paroled and develop a  
16 plan. Apparently he's got a package that was  
17 given to him but I've seen no indication that  
18 he's made contact with any of the organizations  
19 in that package in preparation for his parole  
20 and I'm real concerned that this could happen  
21 all over again if he goes out into the  
22 community, he starts drinking again and ends up  
23 with an altercation or a frustration that he  
24 interprets being threatening and who knows, he  
25 had a relatively clean record before the  
26 shooting occurred and we just really can only go  
27 by what has happened in the past to predict what

1 will happen in the future. As far as his  
2 vocational goes, I have indications he's got a  
3 vocational certificate in upholstery but it  
4 shows he was dropped from upholstery and his  
5 progress reports on 1/26/99 -

6           **DEPUTY COMMISSIONER MEJIA:** He completed  
7 that.

8           **DEPUTY DISTRICT ATTORNEY JACOBS:** Pardon?

9           **DEPUTY COMMISSIONER MEJIA:** He completed  
10 upholstery.

11          **DEPUTY DISTRICT ATTORNEY JACOBS:** He did  
12 complete that. In regards to his C&C training,  
13 he's got about 1500 hours of on the job training  
14 experience which amounts to about 38 weeks of  
15 employment if he was doing this out in the free  
16 community, so he would be entering - if he would  
17 get a C&C job - he would be entering as a  
18 beginning operator or an apprentice operator,  
19 not as an experienced operator, because he's had  
20 less than a year of experience. I think he  
21 needs to work on his alcohol a lot more. I  
22 think he needs to build a program so we are  
23 ensured what happened back in 1990 will not  
24 happen again and I think it wouldn't hurt him if  
25 he got some more C&C experience because it  
26 certainly would add to his employability once he  
27 reaches the streets and that's (indiscernible).

1                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
2 thank you. Mr. Spowart?

3                   **ATTORNEY SPOWART:** Yes, to begin with -  
4 the Board asked him some pretty hard questions  
5 today and he was forthright (indiscernible) in  
6 answering this - answering "Why did he do this?"  
7 "I was angry". "They beat me up and shot at me  
8 and I went back and -", told exactly what  
9 happened. What has he done about that? Well,  
10 he's had therapy; he's had two anger management  
11 courses since he's been down. He's able to tell  
12 you how he would contain himself as far as anger  
13 goes. Was alcohol a factor? He admits it was.  
14 He probably wouldn't have done that if he hadn't  
15 been drinking. He's been in AA. He showed me  
16 just a bunch of chronos. Recently he hasn't  
17 been in but Commissioner, I hope you understand  
18 , I was surprised, you asked him, "What's the  
19 first step?" "What's the second step?" It's been  
20 quite awhile since he's been in there. He knows  
21 these steps. He hasn't memorized them all but  
22 he can tell you because they make sense to him.  
23 He understands that's what he's going to have to  
24 do and I told him before we came in here, I  
25 said, You know, you haven't been in AA and their  
26 going to hammer you on this. He says, yeah, I  
27 know. He said, I went to court on it. He says,

1 with this religious thing I don't like. But he  
2 says, I expect if I get date, they're going to  
3 say, you have to go be in it on the outside.  
4 And he says, that's fine with me. I'll be in it  
5 on the outside. He's objected, he told you why.  
6 You've had other people tell you the same thing.  
7 Too many of these programs in here - people are  
8 going and taking space and their not paying  
9 attention. He's serious about it. One thing  
10 that really concerned me is discussion here  
11 (indiscernible). This thing about the gang. And  
12 I'm gonna - where do these counselors get their  
13 information? They go to the probation officers.  
14 Now here's what the probation - gang activity:  
15 When interviewed by the probation officer, the  
16 defendant denied any type of gang affiliation;  
17 however, according to information from Isuza  
18 Police Department, the defendant apparently has  
19 some slight ties with the Isuza 13 gang. Slight  
20 ties. That's why I asked him, is a gang in that  
21 area? Yeah, it's a neighborhood gang. You know  
22 these guys? Yeah, I know these guys. I went to  
23 school with them. He had slight ties. He was  
24 not - they don't say he was a gang member. They  
25 do not say that. He had some slight ties  
26 because he knew these people. You can't avoid  
27 it. That's where you grew up. That's the kids

1 you knew in grade school and high school and  
2 whatever. He had no juvenile record. If he'd  
3 been a hard rock gang member, he'd a been picked  
4 up, you'd better believe it. Sometime along the  
5 way. Had no juvenile record. A good stable  
6 history. A good family upbringing. Showed me  
7 pictures of his dad. His dad was a retired army  
8 sergeant who was in the parades and burials they  
9 show up - the people of military burials. A good  
10 solid family. He worked for his brother's carpet  
11 cleaning business for two years and then he was  
12 a forklift driver, Price Club. He was married  
13 and had problems then he has this crime. What is  
14 the motivation for the crime? You always ask  
15 this, and he was flat out. Didn't - did not deny  
16 it. I was angry. I was mad. These guys beat me  
17 up. All I wanted was to get gas and  
18 (indiscernible) and they beat me up. I left and  
19 brooded about it and came back. That's what he  
20 did. He's just (indiscernible). He understands  
21 what happened. He takes full responsibility. He  
22 didn't --- that's why I objected to the D.A.'s  
23 questions. He pled. He admits to everything. He  
24 has remorse and expresses to the psyches and  
25 expressed it here to you today. Adult  
26 convictions, two misdemeanors for violence. So  
27 prior to this, growing up in this area, where

1 there's gangs, where he had apparently had some  
2 slight contact because he knew these guys. He's  
3 never been (indiscernible) problems. He was 27  
4 then. He was not a kid and he said that. He was  
5 27, he was immature. He can't say, well, I was a  
6 kid. No, he was 27. He got mad because they beat  
7 him up. His parole plans are very good. He's got  
8 a place to be with his parents. Seek work in the  
9 upholstery industry. Completed auto upholstery  
10 vocation also a PIA in a furniture factory. Now,  
11 the D.A. says, well, he doesn't have that much  
12 experience. He's had as much experience as he  
13 can get in here. That's where he is and he's not  
14 - and he hasn't missed an opportunity to take  
15 advantage of it. He's employable when he gets  
16 outside. His prison adjustment - only one 115 in  
17 the entire incarceration and that was non-  
18 violent. He has three 128a's. The last was '95.  
19 He completed (indiscernible) project change. His  
20 class score is 19 which, as you know, is  
21 practically zero. But, under the new rules they  
22 have to - lifers have to have a minimum, they  
23 can get down to 19. Work reports are exceptional  
24 and above average. He's got his GED. The psych  
25 report is very positive. Incidentally, the last  
26 two psych reports have been positive. Both of  
27 them said he's no more danger on the outside

1 than the average person. And again, people say,  
2 how can you say that? Nobody's attempted to  
3 shoot - attempted murder on the outside. Well,  
4 that was then, this is now. This is after he's  
5 taken these changes, these courses he's taken.  
6 Anger Management, two courses in Anger  
7 Management. Commissioner (indiscernible) pretty  
8 thoroughly. Project change, anger management,  
9 very positive psych report. And the psyches  
10 rightly say that he's done very well and he's no  
11 danger. He's got a consideration - has got to be  
12 his alcohol abuse. He'll admit that. Is that  
13 going to (indiscernible) Well, we're not going  
14 to give you a date today. My God, I - the psych  
15 is being honest, he's just saying this man has  
16 done everything. He understands the factors. He  
17 understands what he has to be away from. It's  
18 just based on his past history; he's going to  
19 have to continue. I talked about this and he  
20 said, yeah, I (indiscernible). I'm sure if I get  
21 a date, they're going to say, you got to be in  
22 AA. He said, that's fine with me. To be outside,  
23 it's a lot different than being in here. And  
24 incidentally, he's got a bunch of chronos that  
25 he did participate in. So when you come right  
26 down to it, you got the life crime for what he's  
27 here and that's why he's here and now you got

1 what he's done since he's been here, which shows  
2 that he's suitable. Two of the last two psych  
3 reports said he's suitable. They don't mince  
4 words about it and they both say alcohol is a  
5 factor and he has to adjust. But, he's no danger  
6 - more danger on the outside than the average  
7 person. Both times. Both psych reports say that.  
8 And if he's no danger than the average person,  
9 then he's certainly not an unreasonable risk of  
10 danger to society which is the standard by which  
11 you're supposed to deny him. An unreasonable  
12 risk. So I'd ask for a date to be set for  
13 parole.

14                   **PRESIDING COMMISSIONER ST. JULIEN:** Thank  
15 you. Mr. Castaneda?

16                   **INMATE CASTANEDA:** First and foremost,  
17 I'd like to apologize. I take responsibility.  
18 I've held myself accountable for what I'd done.  
19 I have no one to blame but myself. I've done  
20 nothing but think about what I could do to  
21 change the situation and it's an unchanging fact  
22 that I did and I apologize and I'm sorry for  
23 what I did. All I can do is - from the time of  
24 incarceration, my time and my commitment is to  
25 look forward and to better myself to help my  
26 family understand what I did was wrong. I  
27 understand that. I make no excuses for my

1 action. Like I said, I do take responsibility  
2 for - I'm truly sorry. I learned quite a bit of  
3 marketable skills in my time being incarcerated.  
4 I completed many - many trades. Upholstery,  
5 which was something I was going to follow up on.  
6 My father-in-law left me the necessary tools.  
7 You have a support letter in there from Mr.  
8 Manuel Geary (phonetic), who's deceased. He  
9 passed away in 2000. I've got multiple work  
10 supervision reports here. When I started the  
11 C&C, they gave me the responsibility to operate  
12 machines in estimate of \$150,000. I've been on  
13 the machines since 12 of '03. I've got nothing  
14 but threes and twos as my work report. My recent  
15 one is of March of this month of 2006. That's  
16 what, three - three years? Almost two and a  
17 half, three years of C&C operation. I understand  
18 I only have a 1500 hour certificate. Certified  
19 and qualified to operate a C&C. That is what I'm  
20 looking forward to. I only make 65 cents. If I  
21 was to get a job as a C&C operator, and I have  
22 the necessary sources that my father provided  
23 for me to write to these companies, I'm  
24 currently waiting for a response. But how do I  
25 give them the hope to hire me when I'm still  
26 incarcerated? My family needs me. I'm sorry for  
27 what I've done. I make no excuses. All I ask is

1 that - please weigh the - take all this into  
2 consideration. Factor it in. I'm not a threat to  
3 society. I've learned my lesson. I am sorry. I  
4 do apologize. I can never put myself in this  
5 situation. I can never put my family through  
6 this and if I do ever run into Mr. Carrion, I  
7 wish him all the best of luck. I will apologize  
8 to him. If I could apologize to him in person, I  
9 would. I have no animosity towards no one. I'm  
10 not angry. I'm not mad at nobody. I've learned  
11 my lesson. All I ask is, you know, that I be  
12 returned back to my family and be able to live a  
13 productive life. Pay my bills, pay my taxes and  
14 enjoy my family. I've missed out on a lot and  
15 I'm truly sorry. I apologize.

16                   **PRESIDING COMMISSIONER ST. JULIEN:** Thank  
17 you very much. We will recess (indiscernible)  
18 for deliberations.

1           **CALIFORNIA BOARD OF PAROLE HEARINGS**

2           **D E C I S I O N**

3           **DEPUTY COMMISSIONER MEJIA:** Okay, we are  
4 now on record.

5           **PRESIDING COMMISSIONER ST. JULIEN:** All  
6 parties have returned to the room in the hearing  
7 for Martin Castaneda. Mr. Castaneda, we are  
8 going to deny parole today. I'll read you the  
9 decision and then give you a couple of  
10 suggestions. And, we reviewed all the  
11 information received from the public and relied  
12 on the following: Circumstances (indiscernible)  
13 the inmate is not yet suitable for parole plus a  
14 danger to society if released from prison. As it  
15 regards the commitment offense and this was the  
16 intent to murder of Fidel Carrion on October 9,  
17 1990 in the City of Isuza. the (indiscernible)  
18 carried out in a (indiscernible) manner involved  
19 the inmate (indiscernible) apparently been - got  
20 into a fight with the victim and his brother the  
21 night before and the inmate was very - became  
22 very angry and wanted retribution for this  
23 attack. He apparently had drunk a lot which  
24 festered his anger and went back to the location  
25 where the victim lived with a shotgun and  
26 proceeded to shoot the gun seven

1 times. And the - Mr. Carrion was shot five times  
2 in the chest, groin, and arm. And indeed, as I  
3 think we (indiscernible) the motive for the  
4 crime was very trivial in relation to the  
5 offense in that it was uncontrollable anger. The  
6 inmate has two previous adult probation terms  
7 and the psychological report by Dr. Hewchuck,  
8 dated October 11, 2002 is favorable. It says you  
9 would be a low risk of danger as long as you  
10 were able to abstain from any substance abuse.  
11 In terms of parole plans, you do have viable  
12 residential plans with your parents and you also  
13 have employment plans. You had a letter from a  
14 family friend who owns a business and you also  
15 have marketable skills in furniture upholstery  
16 and as a machinist. And perhaps the next time if  
17 you could prepare a little detailed information  
18 on your parole plans. I know it's in the - it  
19 shows up in the Board Report but sometimes those  
20 change. Perhaps you can also get two  
21 alternatives - you know, for residence. One with  
22 your parents, maybe one from your brothers. You  
23 know, just kind of detailed. You know, just  
24 write out some detail plans. In terms of where  
25 you're going to live. What your plans are for  
26 your job.

1           **INMATE CASTANEDA:** I had submitted my  
2 parole plans in the - oh, man you guys don't  
3 have that in your - in my file.

4           **PRESIDING COMMISSIONER ST. JULIEN:** I  
5 didn't see this. You did this last year?

6           **INMATE CASTANEDA:** Yes. As a matter of  
7 fact, I did that last hearing also. I submitted  
8 one. That's just updated.

9           **PRESIDING COMMISSIONER ST. JULIEN:** No, I  
10 didn't see this. Did you see this, Mr. Mejia?  
11 That's usually something I ask people to do.

12          **INMATE CASTANEDA:** Along with a copy of  
13 what my business - business card would look like  
14 as an upholsterer.

15          **PRESIDING COMMISSIONER ST. JULIEN:** You  
16 gave all that?

17          **INMATE CASTANEDA:** It's in my file.

18          **PRESIDING COMMISSIONER ST. JULIEN:** Don't  
19 stand up.

20          **INMATE CASTANEDA:** I'm sorry.

21          **PRESIDING COMMISSIONER ST. JULIEN:**  
22 You're going to get your officers kind of  
23 nervous.

24          **INMATE CASTANEDA:** I'm sorry. I mean no  
25 harm to nobody.

26          **PRESIDING COMMISSIONER ST. JULIEN:** This  
27         **M. CASTANEDA E-89355 DECISION PAGE 3 3/15/06**

1 is very good. Okay, however the factors of our -  
2 - I'm glad to see this. The denial isn't based  
3 on your parole plans, but I am glad to see this  
4 because this was going to be a suggestion I had  
5 for you to -B you know, really outline - (tape  
6 ended)

7                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay,  
8 well, that's my fault that I didn't see it. I  
9 guess I didn't see this section I - first part  
10 of this section. I've never seen an inmate  
11 submit information in these parts. So, I'm sorry  
12 I didn't see that.

13                   **INMATE CASTANEDA:** It was part of the  
14 criteria that as far as my realistic parole  
15 plans.

16                   **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
17 that's very good. Well, I did find that you had  
18 realistic parole plans.

19                   **INMATE CASTANEDA:** Yeah, I have  
20 marketable skills as far as part of the criteria  
21 also.

22                   **DEPUTY COMMISSIONER MEJIA:** We don't have  
23 a problem with marketable skills.

24                   **PRESIDING COMMISSIONER ST. JULIEN:** And I  
25 outlined that just now. No, okay well I'm glad  
26 to see that you did this. Okay, that's good.

1 Like I said, that's not part of the - and I'll  
2 outline that in a minute. Okay, we do note that  
3 in response to 3042, on notices the District  
4 Attorney of Los Angeles County is  
5 (indiscernible) and we find that you continue to  
6 need self-help in order to face, discuss, and  
7 understand and cope with stress (indiscernible)  
8 and conflict in a non-destructive manner. And,  
9 so primarily my issues with you are that - and I  
10 did spend a lot of time with you today. I  
11 usually like to spend with people and really  
12 grill them on things if I think they're close.  
13 Okay? So, I did feel that way, I still feel that  
14 way. But there are certain things that you do  
15 need to do, okay? And I think they're the  
16 difference between your getting a date and not  
17 getting a date. So, if you get these  
18 transcripts, I'd like you to really peruse them  
19 and I think you're serious about your parole.  
20 Obviously you're serious if you're taking the  
21 time to prepare all this stuff. I guess the  
22 first thing is, if there is - next time if there  
23 is something you submitted or prepared, you  
24 know, make sure you have a copy and show it to  
25 us.

26           **INMATE CASTANEDA:** Okay.

27           **M. CASTANEDA E-89355 DECISION PAGE 5 3/15/06**

1           **PRESIDING COMMISSIONER ST. JULIEN:** You  
2 know, when you first come in. So that we can be  
3 assured that we know about it. And, secondly,  
4 you need a relapse prevention program, okay? So  
5 just as you prepared the outline for what you're  
6 going to do, include - you have to include this  
7 in your parole plans, too. Because, it's  
8 important to everybody, okay? And my colleague  
9 is going to elaborate a little more on why it is  
10 so important that you know at this point it's  
11 important that you incorporate and you be able  
12 to demonstrate that you are never going to have  
13 another episode, okay?

14           **INMATE CASTANEDA:** (Indiscernible)

15           **PRESIDING COMMISSIONER ST. JULIEN:** No,  
16 because what are words?

17           **INMATE CASTANEDA:** That's all we have is  
18 our words.

19           **PRESIDING COMMISSIONER ST. JULIEN:** No,  
20 No. We have our actions and we need to know that  
21 you're going to take your words and put them  
22 into action out there. Okay? (Indiscernible) and  
23 he'll elaborate a little more, okay? And then  
24 number two, the issue that is haunting you is  
25 this (indiscernible) or slight gang affiliation  
26 or whatever it may be. 602 - couldn't find a 602

1 in there. Get it out of there. I would also  
2 maybe type up a statement. You know, I grew up  
3 around these guys. It was alleged that I was a  
4 member. I wasn't or whatever the story is. Make  
5 sure it's truthful.

6           **INMATE CASTANEDA:** I have to go through  
7 the institutional procedures -

8           **PRESIDING COMMISSIONER ST. JULIEN:** Yes,  
9 I think that you must do that.

10          **DEPUTY COMMISSIONER MEJIA:** I said that  
11 to you last time, so -

12          **PRESIDING COMMISSIONER ST. JULIEN:**  
13 Because it's going to go - it's not going to go  
14 away.

15          **INMATE CASTANEDA:** Yeah.

16          **PRESIDING COMMISSIONER ST. JULIEN:** And  
17 then we need to ramp up your self-help and your  
18 programming. So, I know you're very busy at  
19 work. I know you've done things in the past but  
20 I'm sure as you know at this point in time, this  
21 is a very tough road to getting a parole date.  
22 So you have to excel. You have to go above and  
23 beyond the norm, okay? If it involves you having  
24 you have your parents send you some books on  
25 anger - you know, how to control anger or why  
26 you're - you know, substance abuse, or you know,  
27 **M. CASTANEDA E-89355 DECISION PAGE 7 3/15/06**

1 whatever. Read books. Bring in books - you  
2 know, don't come in and say there's nothing  
3 available. You know, do what you can for  
4 yourself, okay? Take the initiative and you  
5 can't do a whole lot in here, but one of the  
6 things we are recommending these days is a self-  
7 study program. You know, read ten - read a book  
8 a month on a self-help issue. Keep a list of  
9 what you got from it. That type of thing. I  
10 don't know what's in the library here, but you  
11 know, maybe there's something in here or maybe  
12 you can get something from the outside. So those  
13 are, I think three things that I think would  
14 really be the case for you. Because when we see  
15 these elements that are missing or that are  
16 there and glaring at us - you're giving us a  
17 reason to deny you. Okay? And it's up to you to  
18 not - for us to just be able to sit over and  
19 say, well God, he's done everything he can while  
20 he's here and the crime is the crime and we've  
21 addressed that and you've paid the price for it,  
22 okay? So you cannot - and you know, the AA thing  
23 - and I'm sure that might be a thing close to  
24 your heart or whatever, but you can't have it  
25 both ways. So, you can't fight us on the AA  
26 thing and like I said before, it's not even the  
27 **M. CASTANEDA E-89355 DECISION PAGE 8 3/15/06**

1 AA, it's just basically what's universally  
2 available. So you can't say I'm against AA and  
3 religion but yet, you're going to go to church.  
4 You know, you're going to go to the church group  
5 where there's the - you know what I mean? It  
6 just doesn't bring, you know? And I'm not going  
7 to say go to AA, I'm going to say, get the help  
8 you need. Get the 12 step help you need. Show us  
9 how you're going to incorporate it into your  
10 life on an ongoing and consistent basis.

11           **INMATE CASTANEDA:** One of the things is,  
12 is one day at a time. It's a one day at a time  
13 process.

14           **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,  
15 but - okay, I think you may want to step in,  
16 Commissioner, on that.

17           **DEPUTY COMMISSIONER MEJIA:** Let us - let  
18 her read the decision.

19           **INMATE CASTANEDA:** Okay, I'm sorry.

20           **PRESIDING COMMISSIONER ST. JULIEN:** Well,  
21 I'm - well, I'll give you the (indiscernible).  
22 So it's a one year denial and we're going to  
23 recommend that you - I'm also asking for a new  
24 psych evaluation because the last one was in  
25 2002 or something like that. So, remain  
26 disciplinary free is to your utmost advantage.

1 You've done excellent there. We don't have  
2 anything to say about you - You know, most  
3 people have disciplinary. It's phenomenal you  
4 only have one, okay? Keep that one. So you do -  
5 you've got a lot of pros there, but it's the  
6 cons that are going to get you every time.  
7 Remain disciplinary free, if available, upgrade  
8 whatever way you can. Vocationally,  
9 educationally, whatever. And also if available,  
10 participate in self-help and design your own  
11 self study program. Okay, Commissioner?

12           **DEPUTY COMMISSIONER MEJIA:** Yes. I just  
13 want to make sure that - you know I was at the  
14 last hearing and I'm very much aware of  
15 (indiscernible) even when (indiscernible) a  
16 viable plan to have an upholstery shop opened,  
17 based on the - on the (indiscernible). Also, I  
18 am also saying that he does have a viable work -  
19 ability to find work out there, based on the  
20 certificate of proficiency, he should - when  
21 they issue a certificate of proficiency, they're  
22 actually saying almost like he's employable  
23 (indiscernible). So, what I would like to do the  
24 next time is have them write a chrono saying  
25 that you are employable in this field when  
26 you're out there in the streets.

1           **INMATE CASTANEDA:** You didn't have that  
2 in my file either?

3           **DEPUTY COMMISSIONER MEJIA:** Well, you  
4 have a certificate of proficiency.

5           **INMATE CASTANEDA:** No, there's - I went  
6 through that other program and -

7           **DEPUTY COMMISSIONER MEJIA:** The other one  
8 should not have the file on the anger management  
9 also. I'm going through this one. 2005. Is that  
10 what you're talking about?

11          **INMATE CASTANEDA:** Yeah, that was in -

12          **DEPUTY COMMISSIONER MEJIA:** And also, so  
13 if you happen to have (indiscernible), then you  
14 have that. I just - I already said that you are  
15 - you have a marketable skill and also you have  
16 an upholstery - you can use that as an  
17 upholstery. Now would you listen to me before  
18 you (indiscernible)

19          **INMATE CASTANEDA:** Okay, I'm sorry.

20          **DEPUTY COMMISSIONER MEJIA:** I already  
21 said that you have a marketable skill and we  
22 considered it. Because I was here the last time.  
23 I don't - we don't have an issue about your not  
24 finding work out there at all. Because of your  
25 proficiency in the upholstery. Now, this is the  
26 most important one. This is not the whole reason  
27       **M. CASTANEDA E-89355 DECISION PAGE 11 3/15/06**

1 for the denial but this is part of the things we  
2 look at when it comes to  
3 unreasonable risk to society. I went back to  
4 your file and you have, I would say 1994 to  
5 1999, sporadic attendance of AA and I have it in  
6 here, 1994, one, two, one, two, three, four,  
7 five, six, and there was a gap from 1995 -

8           **INMATE CASTANEDA:** My last attendance was  
9 '99.

10          **DEPUTY COMMISSIONER MEJIA:** Okay, so if  
11 you're probably going to be compared to people  
12 that went to self-help. They have a consistent  
13 attendance. There's no gap. Do you have the last  
14 history - last court appearance - your last  
15 meeting for anger management was in 2002. Your  
16 last court appearance was in August 20, 2003.  
17 Okay, so they (indiscernible) that. From that  
18 point on, you gave me now, because it's not in  
19 the file that you attended anger management in  
20 2005.

21          **INMATE CASTANEDA:** Yes, I did.

22          **DEPUTY COMMISSIONER MEJIA:** Okay. It  
23 appears to me that other than three hour video,  
24 it's not even included (indiscernible) that  
25 happened before 2003. Do you have any other  
26 self-help that you have attended between 2003 of

1 August to the present?

2           **INMATE CASTANEDA:** Yes, I have. Through  
3 the PIA, we sat through a three hour video.  
4 That's what I was looking for.

5           **DEPUTY COMMISSIONER MEJIA:**

6 (Indiscernible)

7           **INMATE CASTANEDA:** On Anger management.  
8 On - here we go, right here. From Mr. Walker. I  
9 thought they had submitted all this in my file.

10          **PRESIDING COMMISSIONER ST. JULIEN:** Did  
11 you do your C-File review?

12          **INMATE CASTANEDA:** Yeah, but see, I went  
13 through all this. They had that program after  
14 that. I didn't go to my C-File until August, I  
15 mean before August.

16          **DEPUTY COMMISSIONER MEJIA:** This is Anger  
17 Management in 2006 so you have actually two of  
18 them. One given by PIA. It's a three hour video  
19 (indiscernible) issues related to Anger  
20 Management. And then another one (indiscernible)  
21 participation two hours. Another two hour video.  
22 That's actually five hours?

23          **INMATE CASTANEDA:** Yes. I actually took  
24 notes about reducing my anger. Belief system,  
25 accountability, owning up to my problem, lack of  
26 wisdom about anger, knowing how to control

1 emotions, and so on.

2 **DEPUTY COMMISSIONER MEJIA:** This one it's  
3 on the file.

4 **INMATE CASTANEDA:** Yeah, that's an  
5 updated one.

6 **DEPUTY COMMISSIONER MEJIA:** Oh, not this  
7 one. Not the updated one.

8 **INMATE CASTANEDA:** That's the updated  
9 one?

10 **DEPUTY COMMISSIONER MEJIA:** I don't have  
11 it. I just got it now.

12 **INMATE CASTANEDA:** Yeah.

13 **DEPUTY COMMISSIONER MEJIA:** But I - it's  
14 a moot issue. We know you can find a job out  
15 there. So, what I needed - the things I needed  
16 to do is, you've been dealing with Anger  
17 Management. Not the substance abuse. It's like  
18 the Commissioner said, you have an issue with  
19 attending AA or NA, you have to read books and  
20 show us - and give us the name of the books and  
21 show us what you've learned from those books  
22 when it comes to substance abuse. Because  
23 substance abuse is an issue all the way through  
24 commitment offense even to the psych reports.

25 **INMATE CASTANEDA:** Okay.

26 **DEPUTY COMMISSIONER MEJIA:** We need to

27 **M. CASTANEDA E-89355 DECISION PAGE 14 3/15/06**

1 know that you're able to keep yourself sober  
2 even in an uncontrolled environment. You are in  
3 a controlled environment, some people respond  
4 positively to that. They don't use. But, when  
5 they are in a situation where they don't have a  
6 controlled environment, we need to know that you  
7 are able to continue your sobriety and you need  
8 to explore that, okay? What I mean by - when you  
9 start reading books, you are able to articulate  
10 what you would do other than - you know, your  
11 family is a good resource. Going to church was -  
12 you know, I thought you had a problem with  
13 religious issues. AA being an issue, but you can  
14 have some other (indiscernible) that you can  
15 attend. You can actually seek help from, when  
16 you feel that you need to use alcohol based on  
17 your life's situation. That's what we're trying  
18 to get from you.

19           **INMATE CASTANEDA:** I have no problem with  
20 religion.

21           **DEPUTY COMMISSIONER MEJIA:** That's why -  
22 if this alcohol wasn't an issue with you. I  
23 could see why you shouldn't be going to any  
24 substance abuse and making sure you're not going  
25 to have a relapse and going through the same  
26 issue of drinking when you're under stress

1 (indiscernible). All you can tell me -

2           **INMATE CASTANEDA:** I can assure you. I  
3 can assure you today, that I won't. I promise.  
4 I'm sincere.

5           **DEPUTY COMMISSIONER MEJIA:** But, that's  
6 what you need to do.

7           **INMATE CASTANEDA:** I understand.

8           **DEPUTY COMMISSIONER MEJIA:** When you come  
9 back here I want you to bring - you don't want  
10 to - if you don't want to go to AA or any - give  
11 me something about substance abuse.

12          **INMATE CASTANEDA:** How about if I -

13          **DEPUTY COMMISSIONER MEJIA:** And then you  
14 can also go back and give me some - some relapse  
15 prevention.

16          **INMATE CASTANEDA:** Find a sponsor out  
17 there and -

18          **DEPUTY COMMISSIONER MEJIA:** Yeah, those  
19 things. (indiscernible) that other than your  
20 family - you get along with your family and who  
21 else can you run to?

22          **INMATE CASTANEDA:** Believe me, my father  
23 is a very strict man and -

24          **DEPUTY COMMISSIONER MEJIA:** Well, he  
25 didn't prevent you from going through what you  
26 went through.

1           **INMATE CASTANEDA:** Well yeah, that's  
2 true.

3           **DEPUTY COMMISSIONER MEJIA:** Anyway, just  
4 go for that. Because that's the last time we  
5 talked about in 2003, do something about the  
6 substance abuse.

7           **INMATE CASTANEDA:** I understand.

8           **DEPUTY COMMISSIONER MEJIA:** And you did  
9 deal with Anger Management, that's commendable.  
10 But, you didn't do much on substance abuse,  
11 other than you telling me that you - you know,  
12 you're not going to use again.

13          **INMATE CASTANEDA:** That's all I have is  
14 my word.

15          **DEPUTY COMMISSIONER MEJIA:** Some people  
16 have to show some - some other tangible one  
17 other than words.

18          **INMATE CASTANEDA:** I understand and in a  
19 controlled environment - that's understandable.

20          **DEPUTY COMMISSIONER MEJIA:** And you  
21 should be commended for not having - for only  
22 having had one 115, that was in 2000. And again,  
23 last time I talked to you about it  
24 (indiscernible), as long as a (indiscernible)  
25 comes in here updated every year, saying that  
26 you are an associate, based on the POR, it's

1 going to be brought out as an associate. So, if  
2 you - just like I did the last time, you got to  
3 do it the right way. 602 Additional time to  
4 (indiscernible) other than this one sentence  
5 (indiscernible) that (indiscernible) part of the  
6 Isuza 13, then it will go all the way out to the  
7 director's level and they will say yea or nay  
8 and they will remove that from the file.

9           **INMATE CASTANEDA:** It will take me a lot  
10 longer than a year to do that probably.

11           **DEPUTY COMMISSIONER MEJIA:** No, they have  
12 120 days (indiscernible).

13           **INMATE CASTANEDA:** Is that right?

14           **DEPUTY COMMISSIONER MEJIA:** You should  
15 know that. You've filed an appeal before.

16           **INMATE CASTANEDA:** Well, I never got a  
17 response.

18           **DEPUTY COMMISSIONER MEJIA:** In 1991. No,  
19 they did - there's the response. In Pelican Bay,  
20 it's in the file. You didn't see it? They denied  
21 it. About being (indiscernible) was part of the  
22 ethnic violence in Pelican Bay.

23           **INMATE CASTANEDA:** They denied the  
24 charges of me being an associate -

25           **DEPUTY COMMISSIONER MEJIA:** What I'm  
26 trying to say - don't tell me that you don't

1 know the process of 602.

2           **INMATE CASTANEDA:** No, I'm not saying I  
3 don't know the process. I'm just saying that -

4           **DEPUTY COMMISSIONER MEJIA:** Just go and  
5 file a 602 and do what you need to do, because  
6 it's going to come up here again next year -

7           **INMATE CASTANEDA:** I understand, okay.

8           **DEPUTY COMMISSIONER MEJIA:** Or a year  
9 from now or two years from now that you're still  
10 a (indiscernible) until that 812 is cleared up.  
11 That's the same thing I told you the last time.

12          **PRESIDING COMMISSIONER ST. JULIEN:** You  
13 need a binder. Put your stuff in a binder, okay?

14          **DEPUTY COMMISSIONER MEJIA:** And that's -

15          **PRESIDING COMMISSIONER ST. JULIEN:** Yeah.  
16 Okay, so thank you so much, sir. We'll adjourn  
17 right here -

18          **DEPUTY COMMISSIONER MEJIA:** We haven't  
19 told him how much - how many years it's -

20          **PRESIDING COMMISSIONER ST. JULIEN:** I  
21 said a year. And it's 11:10 a.m. So get all that  
22 together so that if there's something we need to  
23 see that you don't think you can present it when  
24 you come in, okay? All that stuff that you have  
25 is - apparently you have a lot of stuff in there  
26 cause you're doing a lot of work.

1                   **INMATE CASTANEDA:** (indiscernible)

2                   **PRESIDING COMMISSIONER ST. JULIEN:** Yeah.

3                   **INMATE CATANEDA:** (indiscernible)

4                   **DEPUTY COMMISSIONR MEJIA:** It should have

5   been submitted (indiscernible).

6                   **PRESIDING COMMISSIONER ST. JULIEN:** Yeah,

7   but don't - this is your parole, okay?

8                   **INMATE CATANEDA:** (indiscernible) It

9   should be in there.

0                   **PRESIDING COMMISSIONER ST. JULIEN:** Okay,

1   so get it all nice for us. Okay?
